IS ANNA M. ROSENBERG RED, PINK, OR YELLOW?

Committee Whitewash Of Red Anna Reveals Treason In High Places

10,000 COPIES OF SENATE COMMITTEE
HEARING BURNED. HER TESTIMONY
PROVED SHE WAS THE RED ANNA
ROSENBERG. PERMITTED TO CHANGE
TESTIMONY.

Incontestable proof exists that the appointment and confirmation of Anna M. Rosenberg as Assistant Secretary of Defense in November 1950 was the final and most important link in the chain of the conspiracy of the international Red "invisible empire" to impose their Marxist (Communist) political, economic and social systems upon the American people. The available evidence destroys all doubt and defies any denial.

By a form of "remote control," an art which the Reds have developed into a highly specialized science, the international Red "invisible empire" exerted tremendous pressure upon the Senate Committee for Armed Services to confirm the appointment of Anna M. Rosenberg as Assistant Secretary of Defense.

VOL. VI NO. 173 UNION, NEW JERSEY, NOVEMBER 1, 1952 \$1.00 PER YEAR

Dulles-Front Man For Zionist Rockefeller Cabal

John Foster Dulles is regarded as the Rockefeller Empire's dispenser of patronage and guardian of the subversive, pro-Communist cell in the State Department. The New York Times quoted Dulles on July 25, 1950, as acknowledging to a group of Republican Senators that he was well aware of the existence of a group of Communists in the State Department who were working to betray China.

Alger Hiss informed the Senate Investigating Committee that his sponsor, adviser and mentor throughout his career had been John Foster Dulles. Dulles and Hiss were both members of the C. I. O.

AN HYING CASE DROPPED

On November 10, 1952, our case came up again for hearing before Judge William V. Dilling in the Municipal Court of Chicago. Once again Mr. Dilling was prepared to argue our motion to squash the information or discharge, brought by Ira Latimer, because of its failure to cite in what manner I had supposedly libeled the Jewish race and religion. Mr. Dilling answered ready when Court convened. However, Assistant State's Attorney Zemel immediately moved that the case be stricken and dismissed from the Court roll, reserving the right to "re-argue" it at some future date. Mr. Dilling objected to dismissal "with leave to re-argue" and strenuously argued that

Rosenberg as Assistant Secretary of Defense

By "using the whip" on the Senate Committee on Armed Services the international "invisible empire" was able to procure a complete whitewash of Anna M. Rosenberg's fitness for the position after her fitness for this high post was challenged upon information which was deliberately concealed from the American people, and which indicated Anna M. Rosenberg as a poor security risk under existing international conditions.

The first whitewash of Anna M. Rosenberg was given to her by the Senate Committee on Armed Services under its Chairman, Senator Millard ("Whitewash") Tydings, on November 23, 1950. Chairman Millard ("Whitewash") Tydings also will go down in history for the whitewash administered by him to Alger Hiss when the Senate Committee on Armed Services dispelled all doubt of its ability to recognize a communist spy with all the proof there on the table under Senator Millard ("Whitewash") Tydings very own nose.

The second whitewash of Anna M. Rosenberg was given to her with super-suds. This infamous whitewash will rank in history as even more rank than its predecessor. After the Alger Hiss fiasco Senator Millard ("Whitewash") Tydings lacked the nerve to officiate at the gala whitewash of Anna M. Rosenberg when the Senate Committee on Armed Services reopened the hearings to take more testimony on the fitness of Anna M. Rosenberg to fill the position of Assistant Secretary of Defense. Senator Millard ("Whitewash") Tydings did not preside as chairman when the reopened hearings were held on December 5, 7, 8, 11, 12, 13 and 14, 1950. Senator Richard Russell of Georgia was substituted as the chairman. He became pinch-hitter for Senator Tydings for obvious reasons.

The Hon. Alfred E. Smith was in the habit of saying "lets take a look at the record" when any doubt existed on any question. A "look at the record" will convince even the most skeptical illiterate in political double-talk that the appointment and confirmation of Anna M. Rosenberg to the post of Assistant Secretary of Defense in 1950 was a blow struck against the security of the nation and the survival of civilization. The "day of reckoning" may dawn in the not too distant future when the American people will understand the implications of whitewashing persons who should not be allowed in our government at all.

What is the "skeleton" in the Anna M. Rosenberg appointment? How well has Anna M. Rosenberg concealed her "skeleton?" How much longer can Anna M. Rosenberg hide her "skeleton" from the American people? Did Anna M. Rosenberg actually conceal her "skeleton" from the members of the Senate Committee on Armed Services? Did the members of the Senate Committee on Armed Services conspire to conceal Anna M. Rosenberg's "skeleton" from the American people?

The American people have a right to know "the truth, the whole truth and nothing but the truth" about the "skeletons" in Anna M. Rosenberg's "closet." The security of the nation and the survival of civilization demand that every patriot "hew to the line and let the chips fall where they may."

John Foster Dulles

On July 12, 1949 (Congressional Record, p. 9276). Dulles stated that he had attended the Paris Conference of Foreign Ministers, in company with Philip C. Jessup, as "advisor" to Dean Acheson; and that there he had discussed with Andrei Vishinsky, among others, the matter of a let-up of the "Cold War." It had been decided by them that such a let-up must not occur because it would not be wise on the ground that:

"Some fear that any relaxation of the East-West tension would bring a corresponding relaxation on the part of the American people, and therefore they needed to be artificially alarmed."

On July 15, 1949, Sen. William E. Jenner, of Indiana, was reported by the N.Y. Times 7/16/49, p. 4, col. 3) to have

"... strongly and personally challenged Sen. Foster Dulles and called upon Sen. Dulles . . . to rise and give an explanation of his remarks at the Big 4 Foreign Ministers Conference in Paris that the U.S. public be kept artificially alarmed. The suggestion was rejected, and Sen Dulles sat silent and smiling. Dulles later told reporters that it was suggested at the conference, but would not tell who offered the suggestion. He just chuckled and made no reply."

Sen. Jenner summed up as follows:

"In other words . . . they take the position: 'Tell the American people only what you want (Continued on Page 4)

case proceed, but evidently in view of the fact that one cannot force someone to prosecute, the Judge granted Zemel's motion. Presumably, the "leave to reinstate" provision is a device to protect Latimer and his associates from a well-deserved false arrest suit.

since the language of law has nuances of meaning which are difficult for a layman to report, I give the following interpretation by Mr. Albert Dilling:

"Such litigation, (suit for false arrest) of course entails considerable expense, and it does not seem fair that such expense should be borne by the victim of this unwarranted Jewish persecution. We are convinced that this charge against her was but a "trial balloon," so to speak, and that, had the Jewish cabal prevailed against her, the stage would have been set for a deluge of similar actions against persons some important, others unimportant, who "know the score" and print the truth about the Jewish conspiracy against Christian civilization.

"This, then, is not a personal fight, but one for the patriotic Christian cause as a whole. Will the readers of Women's Voice support its editor with prayers and financial help, in a false arrest action such as we propose to file? Expressions from readers in this connection will be welcomed.

"As is well known, Ira Latimer has a long pro-Communist record. It may be recalled that he was barred from teaching in Chicago's public schools because of it. It would be poetic justice, should his latest victim secure a substantial judgment against him for false arrest and malicious prosecution predicated upon a complaint containing a 'malice count.' The legal effects of this would be that, should Latimer fail to pay any judgment that might be won, he could be made to languish in the common jail of Cook County for an indefinite period."

As explained by Mr. Dilling the motion by the Assistant States Attorney that the case be stricken and dismissed from the court call means a decisive victory for us. In short after swearing out a warrant for my arrest March 3 and after 9 months of postponements and refusal to furnish particulars of crime, Mr. Ira Latimer confesses that he has no case against me.

I am convinced that my case was to be the first in a series of such cases against Nationalists, as well as a peg on which to hang the infamous Javits bill. My first and only consideration has been and is that my case may be a clear cut victory that can stand as a warning against any such future action. I object to the condition "right to reinstate it at some future time" which is a sword hanging over my head, and could be lowered at a moment which would harm some Nationalist. As there is no recourse except a suit for false arrest. I leave that decision to the informed Patriotic Americans.

LYRL VAN HYNING

IS ANNA ROSENBERG RED?

—(Continued from Page 1)—

It is better to be safe than sorry. The nation may live to find this out sooner than it expects. The nation can require Anna M. Rosenberg to divulge her fitness to hold the high post she now fills no less than it called upon Vice-President Elect. Nixon to divulge his fitness to hold the high position to which he was nominated. The sanctity of the highest positions in our government is no respect of persons."

The American must be reminded of the facts surrounding the appointment of Anna M. Rosenberg as Assistant Secretary of Defense before analyzing the facts surrounding her confirmation by Senator Millard ("Whitewash") Tydings' Senate Committee on Armed Services. General George C. Marshall was installed as Secretary of State by Dean Acheson's "friends." General Marshall "prepared the way" for Dean Acheson to step into the position of Secretary of State. General Marshall was a "pushover" for the Reds in the State Department. They had a genuine "Roman holiday" from that day on. The story is no longer news.

General George C. Marshall was then "transferred" by the "long arm" of the international Red "invisible empire" to the Department of Defense. General Marshall was appointed Secretary of Defense. While Congress was in recess General Marshall appointed Anna M. Rosenberg Assistant Secretary of Defense. General Marshall has gone on record that he "consulted" with no one about the appointment. General Marshall has never denied that Bernard Baruch, Senator Herbert Lehman, and the Warburg clan had "expressed" themselves on the matter. This group are the most important "friends" among those who seek to install Anna M. Rosenberg in strategic spots in government. General George C. Marshall knew that he would have great difficulty in getting Congress to confirm the appointment. General Marshall waited until Congress had recessed. General Marshall made the appointment at a time when it did not require the confirmation by Congress to install Anna M. Rosenberg in office. His Commander-in-Chief taught him that trick.

Not alone was Anna M. Rosenberg "sneaked" into the high office of Assistant Secretary of Defense while Congress was in recess, but the hearings to confirm her were "executive sessions" of Senator Millard ("Whitewash") Tydings' Senate Committee on Armed Services. In the lingo of the layman "executive sessions" means sessions held in secret. In other words the "deal" was made by the "friends" of Anna M. Rosenberg to have her appointed while Congress was not sitting in Washington, and then have the friend of her, the

Providence intervened at this point. The "friends" of Anna M. Rosenberg will battle unto the death to prevent exposure of the part they played in the appointment and confirmation of Anna M. Rosenberg as Assistant Secretary of Defense. Will they succeed? The answer to that question is in the hands of the American people.

The ramifications of the extensive conspiracy to install Anna M. Rosenberg into the important and strategic position of Assistant Secretary of Defense is convincingly illustrated by the contents of the printed record of the hearings held by the Senate Committee on Armed Services on November 29, 1950. It is essential to understanding "what goes on" in government, while John Q. Public concentrates exclusively on making more money and having more fun, to analyze and review what took place on November 29, 1950 before the Senate Committee on Armed Services, under the chairmanship of Senator Millard ("Whitewash") Tydings who presided.

The printed record of the hearings to confirm the nomination of Anna M. Rosenberg to be the Assistant Secretary of Defense has twenty-four pages. Those twenty-four pages are filled exclusively with testimony given by Anna M. Rosenberg. The only person called by the Senate Committee on Armed Services to appear before them and give testimony as to the fitness of Anna M. Rosenberg for that high post was Anna M. Rosenberg herself. Not another person was called to submit even one word on the question of Anna M. Rosenberg's fitness to step into that strategic position. It seems almost unbelievable. But that is the truth of the matter. No one but Anna M. Rosenberg was invited to appear before the Committee to testify regarding the fitness of Anna M. Rosenberg to occupy that office. Let John Q. Public try to swallow that fact, and then try to keep it down!

The printed record of that November 29, 1950 hearings, (United States Government Printing Office, Document No. 76029, Washington, 1950) is available to all who care to ask for a copy. It is better than a comic magazine. By all means write for one, they are free. There are twenty-four pages filled with "love and kisses from Anna to Anna" or "love and kisses from Anna to the committee," or visa versa. The printed record contains a telegram received by Chairman Millard ("Whitewash") Tydings from Secretary of Defense General George C. Marshall on November 29, 1950, the day the hearings were held.

In his telegram of November 29, 1950 to Chairman Tydings, General Marshall wired as follows, "I want you to know . . . I selected her for the position . . . I advised no one other than Lovet and Mrs. Rosenberg of my selection until I talked to the President on election day." General George C. Marshall issued a "release" to the newspapers on November 29, 1950. Between the date of this release

committee, and to other Members of Congress, protesting the appointment. Yet at the secret hearing held on November 29, 1950 Senator Millard ("Whitewash") Tydings had the unadulterated nerve to state the following, "I have here, which I will be glad to place in the record, if the committee wants, three telegrams of opposition to Mrs. Rosenberg, and three letters, making six communications all told." In the official record of the hearings Senator Millard ("Whitewash") Tydings describes the "conspiracy" of certain "anti-Semites" to attempt to keep the Jewess out of the Pentagon." Senator Tydings further stated, "I have read them through, and all of the objections are on simply general grounds." Senator Tydings' crony in the White House selected the expression of "red herding" when the President of the United States was pressured into defending Alger Hiss.

After Chairman Millard ("Whitewash") Tydings and Anna M. Rosenberg had exchanged "love and kisses" for nine printed pages of testimony in the official printed record of the November 29, 1950 secret hearing the "cat got out of the bag." The Chairman referred to a letter from "Tom R. Jones, M.D. who specializes in diseases of the chest, Houston, Texas, and he says she is socialistic and a Communist sympathizer, as shown through her membership in the John Reed Club." The "lid was off" but it did not take the committee long to put the "lid" back, and as they believed, hermetically sealed-up. But the "lid" was to be blown off again with a "bang." And what an odor emitted!

In spite of the thousands of telegrams and letters pouring into the committee members suggesting that Anna M. Rosenberg might prove a serious security risk on account of her political background, the committee did not see fit in their judgment to call a single witness before the committee to testify on Anna M. Rosenberg's political background. It is interesting to quote here from the printed record of the November 29, 1950 secret hearings, where on page 10 it states as follows;

THE CHAIRMAN. What is the John Reed Club, Mrs. Rosenberg?

MRS. ROSENBERG. I would like to answer that because Senator Cain was also good enough to give me some other complaints he had, and Mr. Fulton Lewis, Jr. on the air, mentioned that I was a member of the John Reed Club.

I didn't know what the John Reed Clubs were, but I looked up the John Reed Clubs, and they were Communist clubs.

I understand at one time, when I was up here with the Social Security Board, Congressman Engel of Michigan asked me if I knew that I had been cited by the Dies committee to belong to some Communist club. I said I had never known, and I would appreciate if they would immediately show me the record.

They showed me the record, and it was these

the appointments. Nice going, eh? But there is a trap and letters poured into the Senate Committee frequently a "slip t'wixt the cup and the lip." My vine tee on Armed Services and to the Senators on the

THE CHAIRMAN. Is that shown in the record of the Dies committee?

MRS. ROSENBERG. I BELIEVE SO.

THE CHAIRMAN. I mean, was her identity proven beyond doubt as being a distinct separate entity from yours?

MRS. ROSENBERG. I am quite sure it was as far as the gentlemen who were there at the time of that hearing;

That was the testimony of Anna M. Rosenberg under oath before the Senate Committee on Armed Services on November 29, 1950. The Senate Committee on Armed Services received a letter from Anna M. Rosenberg dated December 1, 1950, addressed to Senator Millard ("Whitewash") Tydings. In that letter Anna M. Rosenberg stated the following:

Assistant Secretary of Defense,
Washington, December 1, 1950

Senator Millard E. Tydings,

Chairman, Senate Armed Services Committee.

Dear Mr. Chairman:

Upon my return to my office yesterday after the executive session of your committee, I recalled that I had incorrectly calculated the percentage that I shall retain in my business.

I believe the incorrect figure of 51 percent appears on page 30 of the stenographic transcript of the hearing, and I would appreciate if you would have the necessary correction made.

I would also like to make a correction as to the date I obtained my citizenship and give you a full record.

Sincerely,

Anna M. Rosenberg

It therefore appears that on or before December 1, 1950 Anna M. Rosenberg had received and read a stenographic transcript of the testimony she gave before the executive (closed to the public) session on November 29, 1950. Anna M. Rosenberg evidently read the stenographic transcript very carefully and also very promptly communicated the corrections referred to in the above letter to the Committee. It is the customary practice to permit corrections before the stenographic transcript is sent to the Government Printing Office to be printed as the official record. Among these corrections to be made Anna M. Rosenberg made no mention of any correction in her testimony regarding the John Reed Clubs and her purported connection with them. Anna M. Rosenberg seemed silent and satisfied in that testimony.

The Senate Committee on Armed Services then

THE CHAIRMAN. Is that shown in the record of the Dies committee?

MRS. ROSENBERG. HER NAME AND ADDRESS ARE SHOWN BECAUSE THAT IS HOW I GOT IT.

From the "revised" testimony which appears in the "Reprint," (United States Government Printing Office, Document 76160, Washington, 1950), it appears that Anna M. Rosenberg had finally "pinpointed" the OTHER Anna Rosenberg. Anna M. Rosenberg remembered, according to the "revised" edition of her testimony before the executive session on November 29, 1950, that there was a record of the OTHER Anna Rosenberg's address in the records of the House Committee on Un-American Activities, known as the Dies Committee at the time the OTHER Anna Rosenberg was the subject of investigation. Anna M. Rosenberg's testimony in the first edition of the printed record of the hearings stated merely that she "believed" that the Dies committee "did actually locate and identify" the OTHER Anna Rosenberg. She used the word "believe" in answer to all questions on that point put to her by Chairman Millard ("Whitewash") Tydings.

In the "revised" second edition of the printed record, which is marked very prominently on its cover "Reprint" but which it is not, Anna M. Rosenberg is quoted as having said, "**YES THEY DID**" and not, "I believe they did," as appears in the first edition. In the "revised" edition Anna M. Rosenberg is quoted as replying to the question, "Is that shown in the record of the Dies committee?" that, "**HER NAME AND ADDRESS ARE SHOWN BECAUSE THAT IS HOW I GOT IT.**" In the first edition of the printed record Anna M. Rosenberg replied to that same question, "I BELIEVE SO." Repeated requests by Members of Congress to determine the source of authority for this alteration of Anna M. Rosenberg's testimony under oath has been met with a wall of silence in the Senate Committee on Armed Services and the Secretary of the Printing Office for printed records of committee hearings.

Senate, who issues the orders to the Government

If the Dies Committee on Un-American Activities has the address of the OTHER Anna Rosenberg why was she not produced at the reopened hearings on the question of Anna M. Rosenberg's fitness to serve as Assistant Secretary of Defense held on December 5, 7, 8, 11, 12, 13 and 14, 1950? That would have settled all doubt about ANOTHER Anna Rosenberg. Certainly the fact that this OTHER Anna Rosenberg was a writer, and the fact that her ADDRESS was in the Dies Committee records according to Anna M. Rosenberg, should have made it easy for the FBI to produce her to face Ralph De Sola, who identified Anna M. Rosenberg at those hearings as THE Anna Rosenberg he had met many times at meetings of the John Reed Clubs. A com-

one who was interested. The 10,000 copies were delivered to the office of the Senate Committee on Armed Services in Room 222 of the Senate Office Building. They formed several large piles stacked near the entrance and anyone could obtain as many as they desired for the asking. A few were obtained by persons visiting the office and requesting them. Then something very strange happened. On the day following the delivery of the 10,000 copies of the printed record to the office of the Senate Committee on Armed Services, orders were issued not to permit the distribution of any more and the balance were withdrawn to be destroyed. Persons requesting copies were told that the printed record was withdrawn and that a new printed record for distribution would be ready in a few days. Efforts were also made to recall from circulation the few copies which had already been distributed. What was the reason for all this?

It appears that after "friends" of Anna M. Rosenberg had read and studied her testimony it was deemed necessary to "withdraw" her testimony and substitute another version. Anna M. Rosenberg had not discovered any error in her testimony on the subject of the John Reed Clubs when she read the stenographic transcript of her testimony on or before December 1, 1950. But on December 11, 1950 Anna M. Rosenberg's "friends" believed that her testimony about her connection with the John Reed Clubs should be "revised." As a result of this interest by her "friends" the original 10,000 copies of the printed record were ordered destroyed and another printing ordered with a "revised" version of Anna M. Rosenberg's testimony under oath on the subject of the John Reed Clubs inserted in place of her testimony under oath before the "executive session" of the Senate Committee on Armed Services on November 29, 1950. Now it is important to note the difference in the original testimony and the "revised" version of that testimony.

On December 13, 1950 there was made available in any quantity desired the "revised" printed record of the November 29, 1950 hearings. But strange as it seems it was not marked "Revised." The second edition of the printed record of the hearings was marked in large black type on its cover "Reprint." The use of the word "Reprint" disarmed any suspicion that the second edition differed in any material way from the first edition. That was evidently the intention. The word "Reprint" can only indicate one thing. But the second edition was not a "Reprint" at all. It was a "Revised" edition, and "revised" on the only important question raised at the hearings bearing upon the fitness of Anna M. Rosenberg to serve as Assistant Secretary of Defense from a security point of view. How was the "revised" version of Anna M. Rosenberg's connection with the John Reed Clubs different from the testimony given by her under oath, and not corrected by her after reading the stenographic transcript?

The contents of the "revised" edition differ only on page 10 where Anna M. Rosenberg testified regarding her purported connections with the John Reed Clubs. The "revised" edition reads as follows:

THE CHAIRMAN. I mean, did they actually locate and identify the other Anna Rosenberg?

MRS. ROSENBERG. YES THEY DID. She was a writer.

The veracity of Ralph DeSola can best be judged by the testimony under oath of Dr. J. B. Matthews who testified at the reopened hearings held between December 5, 1950 and December 14, 1950. Firstly it must be noted that Dr. J. B. Matthews was the Director of Research for the House Committee on Un-American Activities, the Dies Committee, for 6½ years according to his testimony. Dr. J. B. Matthews' opinion of Ralph DeSola's veracity was expressed by him under questioning by Senator Knowland of California, a member of the committee. The testimony was unqualified confirmation of Ralph DeSola's character and integrity, as well as his reputation for truthfulness. That testimony appears on page 131 of the printed record of the reopened hearings held on December 5, 7, 8, 11, 12, 13, and 14, 1950, (United States Government Printing Office, Document 76,020, Washington, 1950), which was printed BEFORE the "revised" second edition of Anna M. Rosenberg's November 29, 1950 hearing before the secret "executive session" of the committee, and reads as follows:

SENATOR KNOWLAND. Dr. Matthews, in the six years you were connected with the Dies committee did you have occasion to know or to have information concerning Ralph DeSola, who has been a witness before this committee?

MR. MATTHEWS. Yes, I had several contacts with Mr. DeSola. He was a witness on three or four different occasions before the House Un-American Activities Committee and subsequently was one of the IMPORTANT witnesses before the Rapp-Coudert committee of the New York State Legislature.

SENATOR KNOWLAND. Can you inform the committee, BASED ON YOUR OWN KNOWLEDGE OF HIS PRIOR TESTIMONY, as to whether the facts that he testified to had been confirmed by other sources?

In other words, was he a reliable witness or reasonably reliable witness in those other cases, or did you find he testified to a great deal of material which could not be substantiated?

MR. MATTHEWS. When Mr. DeSola's name first came to my attention this past week I recalled in a vague sort of way that HIS TESTIMONY HAD BEEN INVALUABLE, but to check my memory, I got the volumes out and read his entire testimony WORD FOR WORD, and I do not hesitate to say that as of that period and as of that testimony, I HAVE NEVER READ MORE INTELLIGENT, ARTICULATE, CAREFUL, AND BALANCED TESTIMONY BEFORE ANY CONGRESSIONAL COMMITTEE. I WOULD SAY THAT HIS STATEMENTS HAVE BEEN CONFIRMED 100%—NOT EVEN 99.

When Ralph DeSola was brought face to face with Anna M. Rosenberg he identified her as the same Anna Rosenberg he had met at several meetings of the John Reed Clubs. (Pages 120, 121, 122, and 123 in the printed record of the reopened hearings before the committee on December 8, 1950, United States Government, Document 76020, Washington, 1950). Anna M. Rosenberg was already acting as Assistant Secretary of Defense at the time she testified on December 8, 1950. In view of Dr. Matthews unqualified certification of Ralph DeSola's truthfulness it will prove helpful where any doubt exists

Your Freedom Depends On Your Cooperation

Every year we read in the newspapers where the Communist Party and Zionist organizations, such as the U. J. A. run fund drives for one purpose or another and set the goals well over the \$100,000 mark. A few weeks after the fund drives have opened and the initial advertisements have entered the newspapers, we read that they have hit the \$1,000,000 and are reaching the \$2,000,000 mark. These organizations are the minority groups in the United States whose principles are the exact opposite to the beliefs and principles of 150,000,000 Americans, yet they manage to accumulate millions of dollars each year for their propaganda. The ironical twist to this train of thought is that a real American organization or publication, the real ideals of which are to promote Americanism and freedom for 150,000,000 people cannot raise a few paltry dollars to guarantee these basic rights. **ONE WONDERS WHY COMMUNISM AND ATHEISM ARE SO SUCCESSFUL IN THE WORLD, THIS IS ONE CONCRETE EXAMPLE. This "OTHER" Anna Rosenberg has never communicated with Ralph DeSola to straighten him out on his identification of Anna M. Rosenberg as the Anna Rosenberg he met at the John Reed Club meetings. There may be many reasons why the "OTHER" Anna Rosenberg has never been produced. It would appear quite important to remove the last trace of any doubt regarding the presence of the Assistant Secretary of Defense at meetings of clubs which Ralph DeSola describes as 'a revo-

berg at any time in her life, the FBI agent appeared to be more than satisfied. The FBI agent, informed Ralph DeSola that the FBI had investigated the person appearing in the photograph and that the woman in the photograph was only 13 years of age at the time of the John Reed meetings attended by Anna M. Rosenberg according to Ralph DeSola's testimony under oath. Both Ralph DeSola and the FBI agent were amazed that Anna M. Rosenberg's "friends" would attempt such a fraud upon the FBI acting as the investigating agency for the Department of Justice and the State Committee on Armed Services. The "OTHER" Anna Rosenberg has never been produced in the flesh to contradict and disprove Ralph DeSola's testimony. Anna M. Rosenberg's "friends" have since then seen to it that the

Dulles has been one of the "leaders" of the subversive Federal (alias National) Council of Churches of Christ in the U. S. (alias America). The totalitarian nature of this "leadership" was aptly described by George Dugan of the American Council of Christian Churches, a truly American organization, at its meeting in Philadelphia reported in the *New York Times* of October 30, 1943, that charged that John Foster Dulles:

"Has been for fifteen years 'an effective too

the appointment. Anna M. Rosenberg in her testimony in the executive session of the Senate Committee on Armed Service on November 29, 1950.

On one occasion during the height of the uproar Ralph DeSola received a telephone call from the FBI requesting a meeting with him. On that occasion Ralph DeSola was shown a photograph. It was the photograph of a tall, buxom woman sitting on the railing of a porch. Ralph DeSola was asked if he had ever seen that woman. He was asked if he could recognize her as a woman whom he had ever seen or met before. Ralph DeSola stated that to the very best of his recollection he had never set eyes on that woman and he was equally certain that he had never met her in person. The FBI agent then explained their interest in the photograph. The FBI agent stated that the photograph had been submitted to them by "friends" of Anna M. Rosenberg with the claim that it was the photograph of the Anna Rosenberg who attended the John Reed Club meetings with Ralph DeSola. Ralph DeSola then was very positive that it could not have been the Anna Rosenberg he had met at the John Reed Club meetings.

Anna M. Rosenberg is a very petite person. The photograph was the picture of a very voluptuous woman of considerably greater height even though shown in a semi-sitting posture. After Ralph DeSola had convinced the FBI agent that the photograph could not possibly be the photograph of Assistant Secretary of Defense Anna M. Rosen-

berg's "friends" were prepared

to move heaven and earth to discredit Ralph DeSola's testimony. What they did is a disgraceful scandal. Anna M. Rosenberg's "friends" control the newspapers, radio, magazines and motion pictures. Anna M. Rosenberg's "friends" instantly "went to work" on everyone who had suggested that Anna M. Rosenberg's political "past" disqualified her for the position of Assistant Secretary of Defense. And what a job they did. What they did is a classic in the history of "smear" campaigns. Anna M. Rosenberg's "friends" resorted to typical communist tactics. They smothered and suffocated innocent people with charges of the very things of which they themselves were guilty. A few examples will serve to illustrate the methods employed to accomplish their fiendish purpose.

The mere calling of the attention of Members of Congress to the political "past" of Anna M. Rosenberg was publicized as a "conspiracy." Every newspaper in the country, every radio news-commentator, every motion picture news-reel, and all the leading magazines shouted that Anna M. Rosenberg was the victim of a "conspiracy." The alleged "conspiracy" consisted of a well organized nation-wide movement to "keep Anna M. Rosenberg out of the Pentagon" because she was a "Jewess." The "conspiracy" was an "anti-Semitic" plot to keep Anna M. Rosenberg "out of the Pentagon." It was as simple as all that according to the "friends" of Anna M. Rosenberg.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms; your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

There is danger of course that sooner or

Madariaga should be a qualified judge of Soviet tactics. He writes:

"The (UNO) Charter is in the main a translation of the Russian system into an international form and its adoption to an international community The overwhelming mass of Russia's political influence has weighed down the evolution of world affairs and is now taking us back to an unholy alliance of big Powers, resting upon force and very little else."

"UNO," de Madariaga tells us, "bore upon its brow from the very beginning the mark of Moscow." (Page 270)

That this should be so must appear incredible to all who have been deceived by the false propaganda spread about UNO, but many who have heard so much have never been told Dr. Leo Pasvolksky. "Special S. Assistant Secretary of State," drew up the UN Charter with the assistance of Hiss, the traitor who was then in the State Dept. surrounded by Communists and homosexuals.

Nevertheless, Soviet Russia means some day to have a try at us, for she believes that Capitalism and a belief in God cannot live in the same world with godless Communism.

Soviet Russia has the immense advantage of low cost Production. This is due not only to her great natural resources, but to what is practically slave labor. Her military strength today is due even more to the material we have shipped her, and immense quantities of military and industrial secrets that the Roosevelt administration permitted her to steal from us or gave her outright.

ing Iron Curtain countries, we permitted to make notes, take photographs, and other warships, to the consternation of our most secret services. Such incidents happen when the policy of the State Department is to fraternize with all other nations, even, to an extent, with Soviet Russia which is fighting us in Korea.

Greatest Danger is From Within

But the greatest danger to America is not from without, but from within. It's right here at home. The clever, far-seeing Communists would rather not destroy our cities. Wouldn't anybody prefer to come into possession of something valuable, intact and undamaged?

And the greatest factor in this danger here is the existence in our midst of the United Nations. Based as it is upon theories of collectivism, it is itself a funnel through which Communists come freely into the United States. On June 16, 1948, Robert C. Alexander of the State Department testified under oath to this effect.

We believe the infiltration and subsequent taking over of the United States was the real purpose of those who thought up the UN. It was not for nothing that Alger Hiss (long since in prison for lying about his Communist activities) and Harry D. White, Assistant Secretary of the Treasury (who died suddenly and mysteriously in 1949 while evidence of his Communist connections was coming out), were among the leaders in the drafting of the United Nations Charter and in piloting it through the San Francisco Conference in 1945.

The danger of locating the UN on the East Coast, and especially near New York, was officially condemned, according to the New York Sunday Mirror of March 24, 1946, by the Army and Navy Intelligence and the FBI as a definite threat to national security. This dispatch said in part that "if war should come, it was pointed out, enemy spies and saboteurs could find asylum within the international borders of UN."

It is not surprising therefore that a UP dispatch from Salt Lake City October 8, quoted Senator Pat McCarran, Chairman of the Senate Internal Security Committee, as saying investigation would commence October 13 "of the American members of the United Nations for 'subversive activities.'"

"United Nations Day"

"October 24 has become 'United Nations Day.' The Chairman of the 'National Citizens Committee for United Nations Day' has said that 'the UN Day Committee was set up by the U. S. government in 1948 in response to a General Assembly Resolution.' Apparently, it was set up by the State Department—not

Of the UN

Now, as said above, it will be through the United Nations and its ever more complicated subdivisions that the United States will be taken over, if it is to happen. And that, we repeat, is precisely what it was designed to do.

We told in Letter 295 of the "seizure" of cities in 1951 and 1952, and the feigned declaring of martial law, notably in eight small California cities. In every one of those cities the officer commanding the troops and issuing "proclamations," announced he was acting for the United Nations.

A casual visitor to the strange United Nations Building, constructed without regard to cost, on the East River shore of Manhattan, will probably observe nothing but sweetness and light. We sat in recently at a meeting of a sub-committee of the Economic and Social Council. It was late in starting, and as the perhaps 200 visitors gathered, a personable young woman representing, we found afterwards, the American Association for the United Nations, glibly answered all questions. She explained that the sub-committee merely made a report to the Economic and Social Council on the question before it; and the question it had been debating for the past two or three weeks had to do with racial discrimination in various countries. One man pressed his question as to what action the Economic and Social Council would take. The young woman explained that it would take none because the UN has no power. "Public opinion must handle it then."

But her reply was disingenuous. For the UN has power—power for unlimited mischief; and if she did not know that, she was deceiving herself. In addition to some useful work that the UN has done, such as in collecting and disseminating statistics, it has exercised very great power—just as it was meant to do.

UN's Wars

For instance, it fomented a bitter and savage war in Palestine. On November 29, 1947, the Assembly of the UN adopted a resolution recommending the partition of Palestine. Drew Pearson, in his column of December 3, 1947, said that President Truman had "cracked down harder on his State Department than ever before to swing UN votes for the partition of Palestine."

This "recommendation" was seized upon by the Zionists, who were able, through their influence with the press and with other means of communication, to represent to the American people that the recommendation was really a binding decision of the UN.

As a result, the Zionists invaded Palestine and drove out roughly a million Arabs, many of them Christians and the ancestors of most of whom had lived in Palestine for a thousand years or more. Most of these are still homeless and living in refugee camps. Few acts in history have been as heartless. Few are likely to be

the schools, colleges and universities of the country. We read, on page 28, under "CONCLUSION," in part as follows:

"Looking back over the past 2 years, we have seen a steady growing concern to expand and improve education for international understanding, and specifically teaching about the United Nations, at all levels from pre-kindergarten through college and university to the general adult population, throughout the United States." (italics ours) The writer of this does not say where "we" have seen this "steady growing concern." In our opinion there has been no concern whatever about it on the part of the people. It is just eyewash—subtle propaganda by the State Department. But multitudes of people are deceived.

"Winning the Peace"

We live in an age of slogans. One of the commonest is the talk about "winning the peace." Paul G. Hoffman wrote a book a year and a half ago entitled "Peace Can Be Won."

Until these last 30 years we have never seen this phrase. We usually think of winning wars—not winning peace. Peace is merely a matter of a return to a Christian, friendly, charitable attitude toward other nations. That was the attitude adopted at the Congress of Vienna in 1815, and the general peace made there lasted in Europe nearly 100 years.

"Winning the peace" is sheer camouflage, a smoke-screen for other more subtle activities. All peoples want peace. Only scheming politicians, unwilling to do their task the simple, natural way, stir up wars.

High Pressure Promotion

A chief factor in promoting the UN is the American Association for the United Nations. That organization in each of the last few years has appointed a "Business and Industry Committee for United Nations Week and Day."

In preparation for their campaign for 1951, a communication was sent to a large list of businessmen throughout the United States asking each to contribute \$100 toward the expenses of the Committee, and to lend his name as a member. About 900 fell for the appeal, or at least their names were published by the Association.

We wrote last year to all the men on this Committee, mentioning their listed membership and sending a copy of Council Letter 276 entitled "The Menace of the U.U.—The Road to Socialism and Communism." We asked each for his comment on this Letter.

Some replied they had contributed to the fund but had not authorized membership on the Committee.

A large manufacturer wrote, "Let me add that your Council Letter 276 dated December 1, 1951, seems to the writer to be quite an accurate picture of the United Nations and its effect on this country."

A prominent Californian said, "I feel they (the UN) are a complete failure, and I will probably withdraw

has taken place every Fall in celebration of United Nations Day—a ballyhoo greater than anything about this United Nation on in this Letter.

United Nations Day is a synthetic affair. There is nothing spontaneous about it. Among the names of its promoters we find a heavy weighting of those who were most active in 1940 and 1941 in trying to get the United States into World War II.

We have before us a 12-page pamphlet put out by the National Citizens' Committee for United Nations Day. It is entitled "Leaders Guide for Individual and Community Action." On page 3 is "A Message from the National Chairman, Frank L. Weil," in which we read:

"The Committee's concept of such observances (of United Nations Day) means to an end, and that end is increasing knowledge about and understanding of the United Nations by the American public. We have not detected anything excepting in the State Department about the country among a scattering of 'liberals,' the slightest emotional feeling in favor of the UN. Efforts have been made to persuade people to fly the UN flag. Yet in all midtown Manhattan (and we get about quite a good deal) we know of only two buildings that fly it. But on any patriotic occasion, and frequently when there is no patriotic occasion, there are countless places where one sees the American flag.

While we have traveled in eight or nine European countries a good many times since the UN was formed, we have yet to see a UN flag on display. We casually asked a younger member of the British Parliament two or three years ago what Britain would do if the UN course which Britain did not think to be in her interest. He calmly replied, 'We would tell the UN to go to hell.' Of course they would. And so would any other self-respecting nation. There is not only no confidence in the UN among the people of other countries, but few enthusiasts in and out of official circles—there is not even any interest in it. Britain is going to decide—decided—not to take any part in collective security for the Continent of Europe. According to the New York Herald-Tribune of October 8 the French Government had decided to fight with every weapon at its disposal against interference by the United Nations in the Tunisian and Moroccan questions."

complishment.

By this war the Arabs, whose goodwill towards the United States had been established over a hundred years by missionaries, educators and businessmen, became, and have remained, exceedingly hostile to the United States who, they feel, was, through the UN, the prime factor in the partition of Palestine.

And not only are the Arabs alienated from us, but the entire Moslem world, numbering as high as 300 million people, has become predisposed against us.

Then the UN, under the prodding of President Truman, precipitated the war in Korea, which has become a graveyard of nearly 20,000 Americans. And the end is not yet. In fact, the State Department, as at present set up, seems to contemplate a ten-year war. Since we are losing from 8 to 10 thousand in killed each year (the casualty report in The New York Times of October 9 listed 137 dead for the week—about 20 per day)—in addition to other casualties, a little arithmetic will show us what the cost will be to American youth in the future. American mothers and fathers ought to take quite an interest in this particular UN achievement.

Recently it was announced that the UN will rebuild Korea. If the American share is comparable with her share of the killed and wounded, American taxpayers may well hold their hats.

The United Nations clearly will bring us, not collective security, but collective insecurity. That insecurity will continue, till American, exhausted, is taken over by a world government. Their own security will then become like security in Russia today—or in any American prison.

This "Peace" Organization

Dangerous as is this "peace" organization to the real peace of the world, its even greater danger lies in its attempt hopelessly to involve the United States in the affairs and liabilities of all other nations. The UN is the spearhead of Socialism and Communism.

A striking thing about the UN is that our own State Department is 100 per cent back of it. What shall we think of a government, the leading department of which is out to promote an organization whose aim is the overthrow of that government?

We have before us a pamphlet entitled "Teaching about The United Nations in the Schools and Colleges of the United States." It is published by the Department of the State, and if you will send 10 cents to the U. S. Government Printing Office, Washington, D. C., you will receive a copy. It is Department of State Publication 4649, International Organization and Conference Series III, 83!

This pamphlet discloses the tremendous effort, and indicates the amount of your money, spent by the State Department in propagandizing the United Nations in

DEMOCRACY! DEMOCRACY!

my support and was seen to the name of the Business and Industry Committee."

The President of a large Chicago concern said, "I have read Council Letter 276 with considerable interest and can find no fault with the conclusions arrived at. I feel that the sooner we can get rid of this 'super' government the better it will be for the administration."

A Minnesota manufacturer said, "I am not in favor of the United Nations, at least as it is drawn up, and I question the possibility of it ever working. We as usual will be the goats and the American people will be the losers."

One Pacific Coast manufacturer said, "Two years ago or so I permitted my name to be used as sponsor of United Nations Week, as I recall. But when approached this year I definitely declined."

Yet the names of all these men and many more who expressed similar views were used by the Association to propagandize the American people.

It is apparent from our correspondence that many of the persons listed by the American Association for the United Nations as members of the Committee to promote "United Nations Week and Day" are half-hearted in their interest; joined only because they saw some big names on the list; had become convinced to a greater or less extent that the UN boded no good for the United States, or had actually forbidden their names to be used. In other words, high pressure promotion was a great factor in ballyhooing the UN.

Trygve Lie, Secretary of the U.N., smiles amiably while talking to Zionist Ernest A. Gross, Jew. U.S. Representative. As Norway's Minister of Justice in 1936, Lie performed a great service for Stalin: he was instrumental in deporting Stalin's arch-enemy, Leon Trotsky, from Norway.

Trotsky, one of the founders of the Communist International, in 1937 referred to Lie as "the Minister of Justice who is a member of the Communist International."

As Secretary-General, Trygve Lie is authorized to select all U.N. employees.

MARXIST JEWS RUN BACK UP THESE PATRIOTS WHO EXPOSE UN TRAITORS UNITED NATIONS

(Editor's note:

The following article appeared in COMMON SENSE, issue No. 146, September 1, 1951. Note that more than a year ago COMMON SENSE published the name of David Zablodowsky, Director of Publications, as an enemy to America. This article is republished now so that thousands of new readers may be informed and learn that the United Nations, like the League of Nations is a Jewish creation just as is Communism to bring about slavery of Christians who do not cooperate in their Talmudic plan.)

The Jewish plan for world conquest and for ruling the entire world is now well underway. There is every likelihood that the future "World Government" will be the organization presently known as the United Nations. Already the world has been divided into two concentrations of power—one controlled by the Jews of Moscow under the Jewish Seal of Solomon (Five pointed Star) and the other by American Jewry of Wall Street under the U. N. O. banner of pale blue and white, the same blue and white used for the Israeli flag.

The arch hypocrite of all times, Bernard Baruch, Dictator of the U.N. Atomic Commission, has called for economic conscription in the United States which will mean further and even tighter concentrations of economic power into the hands of American Wall Street Jewry. The internationalization of raw materials, the European Army, the European Parliament at Strasbourg, the Schuman Plan (originated by the Jew, David LILIENTHAL, not—of course—by the French Foreign Minister Mr. Schuman) all tend to weld together the non-Communist world more firmly in the clutch of American Jewry.

All that is now required is for the two giant power mechanisms, one operated by American Jewry under the pale blue and white Israeli colors, and the other by the Moscow Jewry under the five pointed star, to merge into one giant "Super State."

It is reported that the target date is 1955—hence the

FROM MAJOR JORDAN'S DIARIES

Major Racey Jordan Ret. has done an excellent job in writing his diaries of the great Russian Lend Lease swindle. As an expeditor, Major Jordan forwarded almost 10 billion dollars worth of planes, guns, ammunition, machinery, supplies, Atom bomb ingredients, etc. from American bases to Russia. As these precious needed supplies were being sent to Russia our U.S. forces lacked the necessary means of fighting the war.

Major Jordan calls his book "The Greatest Catalogue in History". The list which he made of the items going to Russia includes everything from Atom bomb chemicals to dolls; from engineering material to lipstick; from manganese to antique furniture. There was even an order for one curved tobacco pipe. (Most likely for pal Joey).

Every American who wishes to know how the traitors in high places have given our resources and top secrets to the Communist Soviet Union should read Major Jordan's Diaries. Price \$3.50 Order from COMMON SENSE.

THE ELECTION

At least the people have awakened. The New Deal received a blow in the solarplexus. Our Lord has seen fit to give America a little more time. This was not a 100 percent victory against Marxism, but it is very encouraging to those of us who have been fighting like COMMON SENSE for seven years exposing the Un-American pro-Communist, anti-Christian plan of the masterminds of the New Deal which were calculated to confuse and bankrupt this country.

The big percentage of the vote for the Republican party was not a vote for Eisenhower, but a vote against the corrupt Marxist New Deal. The same powerful Zionist International group which has been in complete control of the New Deal for twenty years also has used Eisenhower to do an important part in this plan to break down European countries for communism and used our State and Treasury Departments to pay thousands of communist government employees who have been spending most of their time in building up communism. We have very little confidence in Eisenhower personally as he stands for a number of dangerous movements the same as Stevenson does, but it can not be denied that this election will upset the Marxist in this country. They will now try to align themselves with this new administration and work in so as to carry out their plan for Jewish control. Millions of Americans will be watching Eisenhower

the United Nations is a Jewish setup. Should any of these papers even mention the word Jew in this connection, the Anti-Defamation League of B'nai B'rith (Invisible Government) would have a committee at the Editor's office the same day and the Editor would get on his knees, if necessary, to prevent the withdrawal of all Jewish advertising. This would mean practically all his advertising as the Jews now control almost all of the merchandising establishments which advertise. We are presenting some facts to the reader so that he may see when this Communist jigsaw puzzle is put together, it spells Jewnited Nations.

The United Nations Charter was written by Leo Pasvolsky, a Russian born Jew with the assistance of Alger Hiss, the 1952 Benedict Arnold.

uals. Concerning Pasvolovsky, a Russian-born Jew who has become one of the leading advisers of the U. S. government, the Chicago Daily Tribune stated:

"Leo Pasvolovsky, Russian-born nationalist, knows more about the United Nations to preserve peace than any other person in the world. That's because he wrote the charter of the world peace league and attended its revision and amplification from the first day of the Dunbarton Oaks Conference to the last day of the San Francisco Conference. He bids for fame as the father of the Charter. President Truman has appointed Stettinius the United States Representative in the world peace league. And Pasvolovsky is to go right with Stettinius to the capital of the world peace league, when it is selected, to guide the American delegate through the maze of the Charter and provide him with the answers to the questions that will arise. For Pasvolovsky knows all the answers, can give them before the questions are asked. He was brought into the department as a Presidential appointment and successively advanced to the highest rank out of those positions filled by pointment subject to Senate confirmation. Pasvolovsky, now a naturalized American citizen, was born in Pavlograd, Russia, 1893, and came to this country with his parents in 1905. He has published several works on Russia including the 'Economics of Communism.'"

who will be under terrific pressure from evil forces for which Thomas Dewey, John Foster Dulles, H. Cabot Lodge, Wayne Morse and Harold Stassen are fronting. Informed Americans will support Senators Joseph McCarthy, William E. Jenner, Everett M. Dirksen, Pat McCarran, John W. Bricker and George Malone as the pro-American forces in this new administration. Real Americans have had enough of the New Deal and will not tolerate the New Deal under a Republican administration.

COMMON SENSE is opposed to World Government; the U.N.; the United World Federalists; Americans for Democratic Action; FEPC and NATO and supports the McCarran-Walters Immigration Bill; advocates the outlawing of communism, and the firing of Dean Acheson and Anna Rosenberg.

Few people realize that officeholders in the U. S. are not free to do what they think is best for our country. The U. S. is run by pressure groups which have formed blocks of voters, and this is held over the heads of politicians. Pressure groups use publications, arrange lavish dinners, present plaques and feature speakers to popularize those who carry out their plan. To defeat these evil pressure groups, there must be an awakened patriotic citizenry organized under trustworthy leaders who understand the enemy and have the courage to back the enemy down. Is this country worth saving? The enemy is organized and financed. Millions of Americans have been awakened during the last few years. Let's double that number and organize to fight for freedom.

Isador Boorstein and Carol Weiss King Top Communist Lawyer, Both Jews

son's right name is Rubens

In the midst of all these communist exposures in the United Nations appears the name of J. Peters, alias Alexander Stevens who for twelve years was boss of the Communists who operated underground in the United States. The papers wouldn't dare publish his correct name, Isador Boorstein, as the Anti-Defamation League would promptly pay a visit to the editors.

Isador Boorstein, after directing Communist espionage for twelve years in the United States, was allowed to deport himself with all the information he had gathered same as Gehardt Eisler, Jew. Eisler was Moscow's director from the U. S. and was assisted in escaping on the Polish Communist ship Battery. He is now Director of Propaganda for East Germany.

Of the 2,000 U. S. employees in the U. N., we would estimate at least 85 per cent of all but janitors are Marxists. The U. S. Senators have no authority to investigate employees from other countries employed in the U. N. However, our estimate of Communists among them would be 100 per cent. If the United States was not hopelessly ruled by Jews, all of these foreign spies would be put on ships and sent home.

Many employed citizens of the United States have refused to state whether or not they are Communists. The Senators who are active in removing this nest of spies are Senator O'Connor of Maryland, Senator James Eastland of Mississippi, Senator Alexander Wiley of Wisconsin and Congressman John Wood of North Dakota. These patriotic lawmakers deserve our courageous support as they will be smeared. Let's get the U. S. out of the U. N. and the U. N. out of the U. S.

A RABBI SPEAKS!

FORETELLS GENTILE DOOM

END OF WHITE RACE PLANNED WITH MONGRELIZATION, END OF CHRISTIANITY DECREED

By RABBI EMANUEL RABINOVICH — REPUBLISHED BY REQUEST

The following is a speech of Rabbi Emanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis in Budapest, Hungary, January 12, 1952:

"Greetings, My children! You have been called here to recapitulate the principal steps of our new program. As you know, we had hoped to have twenty years between wars to consolidate the great gains which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to precipitate World War III within five years.

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world; with every Jew a King and every Gentile a slave! (applause from the gathering). You remember the success of our propaganda campaign during the 1930's, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage, while a nation wide anti-Communist scare is sweeping America. This campaign is forcing all of the smaller nations to choose between the partnership of Russia or an alliance with the United States.

Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. (The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections). The Russian, as well as the Asiatic peoples, are well under control, and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of anti-Semitism, which worked so well in uniting the Americans against Germany.

(We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet

power. Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we shall stage anti-Semitic outbreaks in several of their largest cities. This will serve the double purpose of exposing reactionary sectors in America, which then can be silenced, and of weaving the United States into a devoted anti-Russian unit.)

Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel, of course will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commission into all of the wrecked countries. This war will end for all time our struggle against the Gentiles. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

(Question from gathering): 'Rabbi Rabinovich, what about the various religions after the Third World War?'

No More Religions

RABINOVICH: There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however, retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.

Will Sacrifice Their Own People

We may have to repeat the grim days of World War II when we were forced to let the Hitlerite bandits sacrifice some of our people, in order that we may have adequate documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war criminals, after we have dictated the peace. I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.

To convince you of the certainty of that leadership, let me point out to you how we have turned all of the inventions of the white man into weapons against him. His printing presses and radios are the mouth pieces of our desires, and his heavy industry manufactures the instruments which he sends out to arm Asia and Africa against him. Our interests in Washington are greatly extending the Point Four program for developing industry in backward areas of the world so that after the industrial plants and cities of Europe and America are destroyed by atomic warfare, the whites can offer no resistance against the larger masses of the dark races, who will maintain an unchallenged technological superiority.

And so, with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glorious destiny as the Light of the World!"

(This transcription of Rabinovich's speech was given me by a former Bulgarian diplomat who broke with the Communist regime and reached Budapest, Hungary, where he hid out with anti-Communist friends until March. While there, he obtained a copy of this speech, and was then smuggled to Hamburg, Germany, finally making his way to this country. A gentleman in Hamburg gave him my name, and he met me and urged me to distribute this speech at once. I sincerely hope that it will give the American people a better picture of the force arrayed against them.)

A RABBI SPEAKS!

FORETELLS GENTILE DOOM

END OF WHITE RACE PLANNED WITH MONGRELIZATION, END OF CHRISTIANITY DECREED

By RABBI EMANUEL RABINOVICH — REPUBLISHED BY REQUEST

The following is a speech of Rabbi Emanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis in Budapest, Hungary, January 12, 1952:

"Greetings, My children! You have been called here to recapitulate the principal steps of our new program. As you know, we had hoped to have twenty years before we could consolidate the great gains

power. Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we shall stage anti-Semitic outbreaks in several of their largest cities. This will serve the double purpose of exposing reactionary sectors in America,

Will Sacrifice Their Own People

We may have to repeat the grim days of World War II when we were forced to let the Hitlerite bandits sacrifice some of our people, in order that we may have adequate documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war

which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to precipitate World War III within five years.

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a King and every Gentile a slave! (applause from the gathering). You remember the success of our propaganda campaign during the 1930's, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage, while a nationwide anti-Communist scare is sweeping America. This campaign is forcing all of the smaller nations to choose between the partnership of Russia or an alliance with the United States.

Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. (The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections). The Russian, as well as the Asiatic peoples, are well under control, and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of anti-Semitism, which worked so well in uniting the Americans against Germany.

(We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet

which will turn the United States into a devoted anti-Russian unit.)

Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel, of course will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commission into all of the wrecked countries. This war will end for all time our struggle against the Gentiles. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

(Question from gathering): 'Rabbi Rabinovich, what about the various religions after the Third World War?'

No More Religions

RABINOVICH: There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.

I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.

BROTHERHOOD WITH ANTI-CHRIST

PRIEST DEFENDS AGENTS OF SATAN! REPUDIATES CHRISTIAN PATRIOTS

BROTHERHOOD ANTI-CHRIST

By ELIZABETH DILLING

Brotherhooding with the anti-Christ is a favorite occupation of "liberal", "tolerant" Christians of all denominations, these days. Modern followers of the "Ancient and Dishonorable Order of Judas Iscariot," however, have degenerated. The founder, Judas, had the decency to feel such remorse that he went out and hung himself.

In the summer and fall of 1950, the

COMMENT BY EDITOR

Regular readers of COMMON SENSE realize to what extent organized Judaism would reach to neutralize those who would oppose the Jewish program to wipe out Christianity should the Jewish plan become generally known. In Spain the Jewish Maranos infiltrated the church for 500 years becoming Priests and Bishops in order to destroy her from within.

COMMON SENSE numbers among its many clergymen readers more than 600 Catholic Priests. Clergymen who read COMMON SENSE understand this atheistic world plan, many others do not. It would certainly seem that of all people, Catholic Priests should know the tremendous responsibility they have and make it their business to study and learn who is responsible for the worldwide conspiracy against Christianity. The Jewish question is by far the most important question before the world—more important by far than the

JEWISH EXAMINER of Brooklyn ran a series of seventeen vitriolic anti-Christian articles entitled: "THE SOUL SNATCHERS." The front page headline of the July 21 number, for example, was: "BORO PAR-ENTS, RABBIS AROUSED BY TACTICS OF EVANGELISTS AMONG YOUNGER GENERATION," with the sub-headings: "SPUR EFFORTS FOR LEGAL PROTECTION," and: "THE SOUL SNATCHERS—Part Nine—CORRUPTERS OF YOUTH." The July 28th issue was headlined: "CRIMINAL CODE MAY BE IN V O K E D AGAINST MISSIONARY RACKET." This article proposed to prosecute any Christian missionary who converts an under-age Jew, under the statute which makes it an offense to contribute to the delinquency of a minor. In other words, Christian faith is classified as criminal moral degradation. "CAMPAIGN TO COMBAT MISSIONARIES TO BEGIN NEXT MONTH" was the front page caption Dec. 22, 1950. Yet, on the other hand, the American Jewish Year Book boasts regularly of Judaizing propa-

gate of the Lord's house which was toward the north; and behold, there sat women weeping for Tammuz" (Eze.8:13-4). Evidently the above priest sent a copy of his letter denouncing Rev. Winrod to the JEWISH EXAMINER which prints it. To quote:

"Philadelphia — Election hate propaganda now flooding the country encountered a sharp and unexpected obstacle this week when a Catholic priest sent back some bigoted material he had received in the mail. Rev. Robert E. Carson, principal of the Southeast Catholic High School of this city, received the biased writings from an organization called 'Defenders of the Christian Faith.' The batch of hate included the currently widely circulated item, 'The Philip Dru Case,' being spread by frontiers' —Father Carson wrote:

"In today's mail I received from your group some literature with reference to Communism and the Jewish people. After reading this trash, I decided to let you know just how I feel, as a Catholic priest, about Jew-baiters and rabble-rousers like yourself."

Priest Denies Talmud Plot

"In the first place, the so-called 'facts' in your pamphlet entitled 'The Philip Dru Case' are not facts at all, but distortions and misstatements. I feel that you are fully aware of this. As a graduate historian and a holder of a Master's Degree in United States history, I know that your nonsense about the 'Talmudic Plot' to overthrow the government of this country is just, to put it succinctly, so much tripe.

THE BABYLONIAN TALMUD

Ex. 28

mation League (Jewish gestapo) of the B'nai Brith directs the clever plan to use Christians to keep Christians quiet until the plan for Jewish World Government has been completed. They use many means to trick the clergy into pulling Jewish chestnuts out of the fire. The Rabbis do not dare defend their own program and the Jews know the public will accept the Priest's word assuming he knows what he is talking about.

When Rev. Robert E. Carson, Priest of Philadelphia, enters a field in which he is thoroughly unfamiliar and takes up a subject about which he knows nothing, he must realize he is open to criticism and attack. This Priest may be a graduate historian, but if after reading the following article, he still feels he understands Judaism, two former Jews associated with COMMON SENSE or a Priest will be happy to show him how little he knows. Any self-respecting Catholic should be ashamed of a Priest who would attempt to defend Judaism which is based on hatred of Christianity and be so arrogant in his attack on a Protestant Minister. Judaism is responsible for Communism and all traitorous revolutionary movements. This Priest has allowed himself to be used as a dupe. He says he is a better Christian than Rev. Winrod—this we shall leave to Our Lord to decide. We know Rev. Winrod hates no one, but loves Jesus Christ sufficiently enough to cause him to stand up against those who would erase Christ's teachings from the earth. We challenge Father Carson to compare his record for trying to save our country from Communism to the sacrifices and many years of tireless efforts exposing Communism by Rev. Winrod. (Rev. Carson may use the columns of this paper if he so desires.)

All true Christians should unite against the organized minority who have brought Marxism to our shores, along with planned confusion, war, bankruptcy and fear for our once happy and God-fearing country.

"Priest Rebukes Hate Fronters"

The above is the heading of a front page report in the JEWISH EXAMINER dated: "Friday, July 4, 1952, 11th day of Tammuz." Tammuz is the 10th month in the Babylonian calendar which is the Jewish calendar, today. Tammuz was the male sex procreative god for whom the women wailed and fasted when he supposedly ceased fertilization. This year the Fast of Tammuz falls July 17th in the Jewish "religious" calendar. God in a vision to Ezekiel denounced this pagan abomination, and: "said unto me, Turn ye yet again and thou shalt see greater abominations that they do. Then he brought me to the door of the

worked alongside Catholics and Protestant for the advancement of Americanism. You on the other hand, and others of you like have done nothing to promote American ideals; rather, you are working to tear down the bond of brotherhood among our people. You want to exploit differences in our religion, in order to make money by selling your grubby little pamphlets and disgraceful magazine. In this diabolical work, sir, I wish you all the failure in the world. May God strike with his chastisements, and bring your efforts to set America against American to a speedy and unglorious end.

"I suggest that you who profess to be minister of God (you are, in fact, nothing of the sort), open your Bible and read John I beginning to end. Then kneel down and acknowledge your sin, and begin to live like the Christian you pretend to be. I cherish the Christian Faith a great deal more than you do, I am sure."

This ends the article, carried as a eulogy to Rev. Carson, in the JEWISH EXAMINER, for his lambasting Rev. Gerald Winrod, publisher of DEFENDER magazine and distributor of the pamphlet "The Philip Dru Case," in its issue of the "11th day of Tammuz."

Elizabeth Dilling Writes Rev. Carson

Dear Rev. Carson:

Permit me to join in the acclaim the JEWISH EXAMINER gives you in their front page reprint of your forthright letter to Rev. Gerald Winrod concerning his "grubby little" pamphlet, "The Philip Dru Case" and his "disgraceful magazine," the DEFENDER and its aspersions upon the "Jewish people." "As a graduate historian and a holder of a Master's Degree", as you say, you are of course familiar enough with the TALMUD to speak with authority about any such "TALMUDIC PLOT" being "tripe." Your admiration for "them which say they are Jews" (Rev. 2:9;3:9), who are

—(Continued on Page 3)—

BROTHERHOOD

—(Continued from Page 2)—

Pharisees by religion, but by race are not Judaite for they are of all races and nations, is therefore based upon their TALMUDIC religion, or Tradition of the Pharisees, the one tie that binds. Your "John I" cites the Pharisees. Since you are fully educated on BABYLONIAN TALMUDISM, THE WRITTEN FORM OF THE TRADITION OF THE PHARISEES, you must also approve the five deaths they give Christ today: (1) sinking Him "in dung to the armpits" and pouring boiling lead down the throat to burn out His intestines; (2) sinking Him in "dung to the armpits" and strangling Him; (3) stoning Him to death; (4) decapitating Him; (5) crucifying Him as a "blasphemer." If you, yourself, are a secret Jew, a "Marrano," you approve, also, but will not suffer the TALMUDIC punishment decreed against all real Christians, who are consigned to everlasting Hell where "boiling excrement" is poured on them, and where Christ in everlasting Hell has "boiling semen" as His punishment.

Talmud Blasphemes Christ

Filth of Talmud Cited

In this supreme "religious" authority of "Judaism," as you know, all Christians rank as whores infinitely lower than Rabbi Dordia who visited every harlot in the world (Ab.Z.17a). All non-Talmudists, as you are aware, are rated as non-human animals without rights under any legal code. They are "people that are like an ass—slaves who are considered the property of the master"—the TALMUDIST (Keth. 111a). This, as you know, is being carried into action under Talmudic Red Anti-Christ rule.

Popes Condemned Talmud

You know, therefore, that from the time of Gregory the Great (590-604 A.D.) the Popes struggled both to convert the Talmudists and at the same time prevent them from Talmudizing Christians. Gregory VII denounced favoritism to Jews and enforced laws prohibiting giving Jews power over Christians (1078). Innocent III ordered Jews to wear a distinctive arm badge so that Christians could avoid Talmudists as bearers of spiritual disease (1215). Pope Julius III ordered the burning of the TALMUD (1553), and great quantities of TALMUDS were burned in Rome. He enforced the wearing of a yellow hat by Jews and finally decreed that they should live in a ghetto. Pius V added some new restrictions including a prohibition against Christians kindling fires for Jews on their Sabbath, and in 1556 ordered them expelled from his territory. Gregory XIII added additional restrictions. Clement VIII again expelled them and prohibited the printing of the TALMUD (1593). Clement X ordered the ghetto gates closed during the night. Pius VI required Jews to wear a yellow badge on their hats and endeavored to isolate them while at the same time ordering them to listen to conversionist sermons from

blasphemous, anti-Christian literature. Martin Luther, who, in his early period, criticized the Catholic hierarchy for its denunciations of Judaism, later uttered more vitriolic excoriations, if possible, against it, than the Popes. In "The Jews and Their Lies," and his "Shemhamforash," he revealed Talmudic lies and aims and declared that all TALMUDS should be burned, along with the synagogues, and the bearers of this foul code be exiled or put to hard labor.

Judaism Religion of Pharisees

Since every Jewish Encyclopedia and history declares that the Jewish religion is the religion of the Pharisees, you know this, and you also know that the Christ, whose Cross you should reverence, hurled more terrific excoriations at the Pharisee sect and all that it stands for, than you have addressed to anti-Pharisee Christians because they are following Him in denouncing this evil.

If, perchance, despite that "Master's Degree," you should be a bit dumb, instead of being a Marrano, or pro-TALMUD Judas Iscariot, I'd advise you to sit down and open your Bible and read Matthew 23—"beginning to end"—all of which is a running denunciation of Pharisaism by Jesus Christ. Then read John 8:37-44, a terrific damnation of Pharisees and their religion, and the rest of Christ's immortal warnings on those "which they say are Jews," at a time when the Pharisees had taken over and revamped their Babylonian paganism under the "whited sepulchre" pretense of adherence to the Bible (Rev. 2:9,3-9)—this was after His Ascension, of course, when the Godly Israelites had accepted Him foretold, and become Christians, and martyrs to Pharisee vengeance.

Then, you should apologize to Dr. Win-

Mary a "harlot" SANHEDRIN Ex. 114 106b-106b his reward for the twenty-four thousand Israelites whose destruction he had encompassed. Mar Zutra b. Tobiah remarked in Rab's name: This is what men say, 'When the camel went to demand horns, they cut off the ears he had.' (4 deaths for Jesus) Balaam also the son of Beor, the soothsayer, [did the children of Israel slay with the sword.] A soothsayer? But he was a prophet!—R. Johanan said: At first he was a prophet, but subsequently a soothsayer. R. Papa observed: This is what men say, 'She who was the descendant of princes and governors played the harlot with carpenters.' [106b] Did the children of Israel slay with the sword among

with little boys under nine, the raping of baby girls under three by grown men, incest with dead bodies, bestiality, burning children—all of them—to Molech as well as depraved Baal worship.

These doctrines, as you know, are specifically taught by TALMUDIC halachah in the Mishnaic, as may be seen in the English translation of the BABYLONIAN TALMUD, endorsed by the late Chief Rabbi of Great Britain, J. H. Hertz (Soncino, London, 1935-6).

Apparently, you find no fault with Judaism's TALMUDIC teaching that Mary was an adulteress and whore who "mated with carpenters"; that Jesus seduced women, committed bestiality with animals, did black magic, ran whore houses with old women at the doors and young women inside to get male customers drunk, then order them to disrobe and, as in Baal worship, thus worship the "idol", Jesus.

You have, no doubt, as "a historian and a holder of a Master's Degree," read the some 32 volumes of the supreme BABYLONIAN TALMUD and its fragmentary counterpart, the Yerushalmi, in Hebrew—but anyone can read it in English in the above edition, if the stomach is strong enough. With you, of course, I need not prove the above by sending you my book of some 300 photostats of authoritative Judaism, nearly a third being full page reproductions of the above Soncino edition pages, since you already know all about it and approve.

As you are not only a "historian and a holder of a Master's Degree," but have studied Catholic Church history, you know the struggle which has been waged by the Popes, with few exceptions, against the Jewish religion and its TALMUD and CABALA. "The Jewish religion as it is today traces its descent, without a break, through all the centuries, from the Pharisees . . . The TALMUD is the largest and most important single member of that literature," states the Universal Jewish Encyclopedia (1943), "Pharisees."

Balaam was?—He replied: It is not actually stated, but since it is written, Bloody and deceitful men shall not live out half their days [it follows that] he was thirty-three or thirty-four years old.⁹ He rejoined: Thou hast said correctly: I personally have seen Balaam's Chronicle in which it is stated, 'Balaam the lame was thirty years old when Phineas the Robber killed him.' Refers to Jesus

(1) V. ibid, XXV, 1-9: since Israel was thus seduced and punished through his advice, as stated above, he demanded payment. (2) So Balaam, demanding a reward, lost his life. (3) Joshua XIII, 22. (4) As a punishment for wishing to curse Israel he was degraded from a prophet to a soothsayer. (5) Ship-druggers, (v. Rashi). Herford, *Christianity in the Talmud*, p. 48, suggests that Balaam is frequently used in the Talmud as a type for Jesus (v. also pp. 64-79). Though no name is mentioned to shew which woman is meant, the mother of Jesus may be alluded to, which theory is strengthened by the statement that he mated with a carpenter. (The Munich MS. has 722 in the margin instead of 723, i.e., singular instead of plural.) (6) Ibid. (7) This is suggested by the use of the plural among them that were slain by them, intimating that the various deaths inflicted upon others were all suffered by Balaam. Thus he was hung (strangulation), a fire was lit under him (burning), his head was struck off (decapitation), and then he was allowed to fall to earth (stoning); v. *Supra* 43a. (8) Heretic, v. Gloss. (9) Ps. LV, 24. (10) cf. p. 471, n. 1. (11) [According to the view that all the Balaam passages are anti-Christian in tendency, Balaam being used as an alias for Jesus, Phineas the Robber is thus taken to represent Pontius Pilatus, and the Chronicle of Balaam probably to denote a Gospel (v. Herford *op. cit.* 724f). This view is however disputed by Bacher and others; cf. Ginsberg, *Journal of Biblical Literature*, XLI, 121.] See *Eph. 247*

time to time (1775-1800). Pius IX, after his exile, during the Jewish Red revolutionary period, maintained the ghetto in Rome until it was abolished by the Jewish-led King Emmanuel occupation of Rome in 1870. His successor, Leo XIII, bestowed distinctions upon the "anti-Semitic" politician and writer, Lueger and Drumont, the latter being so honored for his book "La France Juive," which forcefully depicted the degeneration of France under Jewish influence. Leo VIII reigned until 1903.

The TALMUD, because of its criminal and anti-Christian doctrines, was burned: by Pope Innocent IV in Rome (1244), and at Paris, and again in Paris in 1248 and 1309; all over Italy in 1554; at Rome, 1558 and 1559; in Poland in 1557, and condemned by one Pope after another as forbidden,

announce the most criminal and satanic code—BABYLONIAN TALMUDISM, so-called "Judaism"—that ever emerged from the pit of Hell. You will have a choice of positions: that you were ignorant of the truth, despite that "Master's Degree"; (2) that you are not ignorant of TALMUDISM, but defend it and fight its Christian enemies as a partisan of Pharisaism; (3) that you now repent and no longer wish to be an aide to the Pharisaical aim to eradicate Christianity from the earth.

Sincerely,
ELIZABETH DILLING.

Any curious non-Pharisee who is not "a historian and a holder of a Master's Degree," will find proofs of the above statements to Rev. Carson in my compilation of photostats entitled: "THE PLOT AGAINST CHRISTIANITY." (May be secured from COMMON SENSE at cost-\$1.25). The TALMUDIC doctrine that only Talmudists are "MEN," that is human beings, will be found in Exhibit 268. Also: "One who smiteth MAN (i.e. "that is—" an Israelite) attacketh the Holy One" (Ex.59). Sodomy with a "neighbor's wife," is sanctioned on the same page. Logically, we "animals" have no property rights; these were all transferred to the Talmudists, "Israelites" (Ex.269). Gentile "property is considered public property, like unclaimed land in the desert" (Ex.270). Communism puts this into practice. Therefore, non-Talmudists may be murdered, cheated, deceived, providing this does not jeopardize other Jews. Jewry's "Torah" outlaws "the issue of a Gentile as that of a beast (Ex.270). Non-Jews, called Cutheans; minim, Epikoros, Epicureans, etc. may not only be murdered the effort to kill one is so laudable it excuses one for killing a Jew in the attempt (Ex.90,91,92, also 186), Non-Jews are "people" that are like an ass—slaves who are considered the property of the master,, (Ex. 148). Communist wholesale murders and slave labor camps are also authorized by such teachings as: "A Gentile observing the Sabbath deserves death...not even on Mondays is the Gentile allowed to rest" (Ex. 272).

Christ is given four "legal" deaths (Ex. 274, 114) then crucified as a "blasphemer" (Exh, 51, 276). His trial by the Sanhedrin, Ex. 56, 75-6, 276. He is also charged with being a bastard, poisoner, seducer guilty of bestiality with animals, a fool, a sorcerer and idolater, His mother a harlot and adulteress. In general, He is portrayed as a "Balaam" enticing people to commit the sex abominations of Baal worship. Ex. 274-80, of the Jewish Encyclopedia, summarize these charges. For His whore houses, see Ex. 112.

The method of strangling Him in "dung up to his armpits" (Ex. 53); of burning Him in "dung up to his armpits" (Ex. 52; footnote, Ex. 151); of stoning Him to death (Ex. 45, 48, 50). Under false names His Apostles are executed (Ex. 47), the real names given (Ex. 278). He is crucified (Ex. 51, 276). In the Gittin 57a passage, referred to above, and described in part by Ex. 279 Christians are all in Hell where "boiling excrement" is poured on them and "boiling semen" on Christ (Ex. 201-2). The obscene teaching attributed to Him is that the "hire of a harlot" may be used to build a privy

house (Ex. 177-8). If a woman's smallest sin is incest, then her greatest sin must be Christianity ("minuth"). One guilty of incest or of visiting all the harlots in the world, like Rabbi Dordia, is allowed to die in peace, but never one guilty of "minuth" (Ex. 178-80). Christians are "idolaters". Actual idolatry such as Baal worship, however, is not "moral depravity" (Ex. 294, 61). Burning children to the demon Molech—all of them—is permitted despite the terrific exhortations of this ancient crime by the Bible: Lev. 18:21; 20:2-5; II Ki. 23:10; II Chron. 33:6; Isa. 57:5; Jer. 32:35; Eze. 16:20-2, 36.

"PURITY"

A mother's incestuous relations with her son do not blemish her purity, if his age is right (Ex. 82), nor does bestiality mar her virtue (Ex. 157-8); sex relations with small boys is sanctioned (Ex. 135). The general law is that a baby girl is "sexually mature" at 3 years and 1 day, a boy at 9 years and 1 day. With children under these ages anything is permitted and the adult held blameless. Sodomy with children: "no guilt is incurred...for the adult" (Ex. 54). Grown men may rape babies under 3 and marry them at 1 day over 3: Ex. 54-5, 81, 133-35-36, 156-59-60, 189. Killing, or committing sodomy with, and incurably sick person, "terefah", sodomy with a dead body or incest with a dead woman is authorized (Ex. 38-9, 163).

"BROTHERHOOD"

Rev. Carson is welcome to his cherished "bond of BROTHERHOOD" with those whose supreme religious authority is the BABYLONIAN TALMUD. St. Paul said: "come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing, and I will receive you" (II Cor. 6:17). Judaism's "reprobate mind" is like the dog "turned to his own vomit again; and the sow that was washed to its wallowing in the mire" (II Peter 2:22).

RABBI VERIFIES TALMUD

Rabbi Morris N. Kertzer in the article "WHAT IS A JEW" in Look Magazine issue dated June 17th, 1952, stated the following:

The Talmud consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis.

R-U-A REGISTERED VOTER?

Unless you are a registered voter and unless you cast your vote on election day, you must write yourself down as a bad citizen.

To be free to vote as you will and express your own opinion of candidates and measures is a privilege enjoyed by few people of the world.

The citizens of many nations are denied the right to vote, or, if they are permitted to vote, are compelled to vote as directed by a dictator.

Here in the United States we are not only free to vote but we are urged to vote.

The governments we have in city, county, state and nation are our own creations. They are what they are because of what we do with our votes.

This nation will be what you want it to be only if you vote.

The coming November election is one of the most important in the long history of our nation. Line up with the voters—the only true citizens of the country.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Albert Einstein Urges Revolt

AN URGENT MESSAGE TO CONGRESS

Mr. Congressman:

It is well and good to punish the little atomic spies for the Soviet Union, the little Hisses and Lattimores—although they all had bosses. But how about investigating the SUPER-PLOTTERS who drew up a map of the world, before we entered World War II, TELLING AMERICA EXACTLY WHAT WE MUST DO AND HAVE DONE?

AMERICAN BOYS AND AMERICAN MONEY AND MANPOWER are being used to remake the world.

WHO DECREED THIS?

Thousands of copies of this map were sold early in and all during World War II, the first stage of now perpetual war. No ONE man designed that map and the power to enforce it. It is called the GOMBERG MAP merely because it states on it: "Published by Maurice Gomberg, 3211 Turner Street, Philadelphia 21, Pa.", also:

BEN HECHT, RED ANTI-CHRISTIAN AUTHOR, OPERATES OWN TELEVISION SHOW ON CBS

Ben Hecht, prominent "Jewish" anti-Christian writer and member of seven Communist Fronts cited by Congress, has just recently opened his own television show on CBS.

As America slumbers back in the comfort of the materialistic pleasures of indifference and apathy this atheistic, Godless creature has been given the opportunity to pour his filth and pro-Communist propaganda into the homes of the American people in the United States, unimpeded.

At what point in the corruption and decay of a country do the childlike minds of Christians awaken to the insidious menace of evil? In Europe they never did wake up. In America it looks hopeless.

ALBERT EINSTEIN

President Eisenhower appointed Lichenstein Strauss to have charge of the whole Atomic Bond Project. Why is it that Jews are so determined to have control of the atomic bombs?

When the Atomic Energy Project was first set up, Bernard Baruch was appointed as the over-all director. When David Lilienthal was up for Senate confirmation as head of the Atomic Energy Committee, he was presented with evidence that he was a Red, but Baruch appeared before the Senate Committee and forced Lilienthal's appointment. Of the five-member board, three, including Chairman David Lilienthal, were Jews.

Albert Einstein has been trying for years to mystify the world with his theory of relativity. Arthur Brisbane, one of the world's greatest brains, stated that he did not believe anyone, including Einstein, understood his theory.

The more we learn about this fuzzy-brained, starry-eyed refugee, the more we wonder if he did not manufacture this theory to impress the world with his supposed greatness and thereby divert suspicion from himself while he directs important revolutionary activities.

Einstein caused Klaus Fuchs to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. Einstein was on the inside of the atomic energy project from the start. He was a strong supporter of Julius and Ethel Rosenberg, who were executed as atomic spies and traitors. Einstein was the most quoted by the Rosenberg Defense Committee. Ethel Rosenberg in her book

A Program For Jews

Reviewed by Col. E. N. Sanctuary

(Continued from issue No. 185)

In the book "A Program for the Jews and Humanity, An Answer To All Anti-Semites", by Harry Waton, published 1939, the author referred to Balaam as the greatest of all anti-Semites that ever lived. When this was quoted in the first section of this review, we indicated that the Balaam he was referring to was Jesus Christ. Some question has been raised as to the proof of this statement. Since Mr. Waton referred to the Talmud when he mentioned Balaam, we shall quote from the Babylonian Talmud, Soncino Press, 1935; volume on Sanhedrin, p. 106a-106b:

(11) . . . all the Balaam passages are anti-Christian in tendency, Balaam being used as an alias for Jesus."

We conclude this review with further excerpts from "A Program for the Jews":

" . . . naziism is only an imitation and perversion of Judaism . . . The Nazis will feed so long on the principles and the ideas of Judaism that they will become Jews. No greater tragedy can be conceived! (p. 70).

Hitler saw . . . There was only one way, and that was to follow the example of the Jews. The Jews regarded themselves to be the chosen people . . . This gave the Jew moral and spiritual strength to maintain his sex purity. This idea Hitler borrowed from the Jews . . . (71).

zations in 1944. Let us take a look at what the U. S. Congress had to say about this "great American" author.

BEN HECHT

On page 264 of the above mentioned report Ben Hecht is listed as a member of the National Citizens Political Action Committee. And this is what the report says about this organization: "The National Citizens Political Action Committee has 141 members. Out of this number, 83 percent have records of affiliations with Communist and Communist front organizations. In the great majority of these, persons who have been affiliated with Communist groups, there is nothing to support a view that their Communist affiliations were casual and infrequent . . ."

On page 356 of the same report we find Ben Hecht listed as a member of the American Committee To Save Refugees. It reads as follows: "Communist committees to save refugees perform a most valuable function for the international Communist movement. In the first place, these committees are a fruitful source of revenue from sympathetic individuals. In second place, they serve as rescue agencies for foreign Communist operatives. With outposts throughout the world manned by those enjoying Communist confidence, they also serve as a means of blackjacking refugees in a desperate plight to do the bidding of the international network which the

for permanent peace, freedom, justice, security,
and world reconstruction

Next to the fact that much of the map has already been accomplished, is the fact, an amazing and uncanny one, that that map was all ready two months before the USA went to war in 1941. The old bait-words used by all dictatorships: "peace", "security", "freedom" are to be expected, the more villainous the intent the more of these are used. Every Red outfit poses as a "peace and freedom" affair. But note that phrase: "FOR . . . WORLD RECONSTRUCTION."

WHOSE ASSIGNMENT, MR. CONGRESSMAN? Our changed World Map was no BLUNDER. We have occupied GERMANY, JAPAN and ITALY. These were outlined on the Gomborg Map with black, and slated for Occupation, "QUARANTINED," until deemed ready for inclusion in the World Government. We have "reconstructed" all three. We set up a string of Communist mayors across Italy, had the school textbooks rewritten by a Red professor, turned Red agitators loose until it had the largest Communist Party outside Russia. Our troops presumably departed but the billions continue to be poured everywhere in the world where agitation or bribery is needed to "reconstruct". Old line Russian Red revolutionaries like David Dubinsky organize and rove Europe with secret funds and under protection and connivance with our government. WHY?

The USA occupied Japan passed Socialist-Soviet laws, hauled the Reds back from Moscow and out of prison, halted the elections until the substantial ANTI-RED element could be "purged" by the thousands and denied the right to participate in public life. The RED FLAG waved in daily RED parades. It was we who introduced Red rioting into Japan, formerly the cleanest, most progressive, law-abiding, and most ANTI-COMMUNIST country in all Asia.

ANNA M. ROSENBERG, long identified with Communist publications and Communist fronts. It was this Anna who hired the employees for the Manhattan (Atomic Energy) Project which was loaded with Communist Jew spies. Later, as Assistant Secretary of Defense and in charge of manpower for fifteen government departments, she hired more than a million civilians.

Who did she place in important posts? How did she cripple our armed forces in Korea? An investigation should be made. Of the 150,000,000 Gentiles, not a man was qualified to fill her place.

On page 362 Ben Hecht is listed as a sponsor for "Europe Today" Dinner-Forum under the auspices of the American Committee To Save Refugees, Exiled Writers Committee of the League of American Writers, and United American Spanish Aid Committee.

On page 475 of the same Un-American Activities Report Ben Hecht is listed as one requesting your help on behalf of the Russian people. On the same list are many of the notorious Communists in the country.

On page 699 Ben Hecht is listed as a member of the Exiled Writers Committee. The report reads as follows: "The Exiled Writers Committee was a subsidiary of the League of American Writers. The latter organization was founded at the Congress of American Revolutionary Writers in 1935, and has been labeled as subversive and Communist by the Attorney-General, Mr. Francis Biddle . . ."

On page 967 of the Congressional report Ben Hecht is listed as a member of the League of American Writers. We quote the report as follows: "The First Congress of the League of American Writers was held on April 26, 27, 28, 1935. In the call for this congress it was stated that it was intended for writers—'who have clearly indicated their sympathy with the revolutionary cause; who do not need to be convinced of the decay of capitalism, of the inevitability of revolution (American Writers Congress, International Publishers, 1935, p. 10)."

Further explanation as to the aims of the League of American Writers is to be found in the introduction to its publication Proletarian Literature in U.S. This introduction was written by Joseph Freeman, former New Masses editor (Communist publication): "The Communist says frankly: art, an instrument in the class struggle, must be developed by the proletariat as one of its weapons (p. 9)". The group of pro-Communist writers assembled in the League of American Writers considered themselves not only as the appointed spokesmen for the proletariat but as representatives of a powerful but exclusive literary sect.

inhuman and sadistic act.

Some six days before the armistice, on the false pretense that we needed RED RUSSIA to help us defeat our defeated foe, Japan, Russia's entry was made the excuse for giving these REDS the Kuriles, etc., and letting Russia occupy the northern half of Korea—the most highly Christianized Asiatic country. Japanese arms and munitions were given by us to the CHINESE REDS.

The money appropriated by Congress to defend South Korea never reached them. Syngman Rhee begged in vain. Marauding murder bands kept pouring in.

Truman's illegal "police action" in KOREA was kept on an annihilation basis, with insufficient ammunition for our boys to win, for that would have meant a united Korea. We call the North Koreans Reds. We put the Red army into North Korea to draft the North Koreans to kill off their brothers. We kept thousands of anti-Communist prisoners of war in jail. The Gomberg Map provides that Korea is to be part of China, along with Indo-China where we are now meddling on "WORLD RECONSTRUCTION".

We punished the Anti-Communist Germans and Japs, as called for by the Gomberg Map. The Gomberg Map called for a nice Mediterranean hunk called "Hebrewland" and it is now called ISRAEL, achieved by American connivance against the Arabs. The Gomberg Map designates ITALY, SPAIN, PORTUGAL, FRANCE and the low countries as "United States of Europe". NATO was a starter. Loans, bribes and threats can do the rest.

We Saddled Four Nations On Germany

Germany is not only still "quarantined", it is occupied and cut up by four nations. It is black circled on the Gomberg map for occupation until incorporated in the Soviet bloc. HUNGARY, ROMANIA, BULGARIA, YUGOSLAVIA, POLAND were all free and civilized nations in 1939. ESTHONIA, LATVIA, LITHUANIA had been free, but ALL of these countries including FINLAND are shown on the Gomberg Map of 1941 as incorporated into the Soviet bloc of the WORLD GOVERNMENT we are "reconstructing" the world for. ENGLAND, stripped of all except Australia and some East Indies islands, Madagascar, New Guinea, Australia, goes on the

It is still possible to save our country from Marxist slavery, but there is only one way in which it can be accomplished. A sufficient number of people must be informed so that they know the facts. We must have crusaders. If we remain indifferent, uninformed and do not make sacrifices, we will then go down as other countries have, for the enemy is active.

Gomberg police force, having little Red air and sea bases indicated on the map, whereas the USA has little blue-colored ones—we'll be blue enough then to make it appropriate. ALL AFRICA, now seething with Red agitators running out of New York and Prague, is to be one bloc, and all South America another. The COMMUNIST HEADQUARTERS for SOUTH AMERICA is in New York. Somehow the USA is to take over CANADA and MEXICO. By pouring enough billions and boys all over the world and by inventing new trickeries and lies to cover old ones at home and abroad, by wrecking and deceiving all nations, we may get the job done of building the GOMBERG MAP. WHO ARE THESE SUPER-PLOTTERS whose WORLD EMPIRE we are building? Are you afraid to find out?

The lives and liberties of all Americans, the very jobs you hold, are at stake. They have been committed to your hands. WON'T YOU INVESTIGATE?

The Gomberg Map coincides with the prophecies of Daniel and of Christ's Revelation. That blasphemous RED ANTICHRIST WORLD GOVERNMENT stamps and beats down the whole earth until the truth is known and the world is freed. Those "people that do know their God shall be strong and do exploits" (Dan. 11:32). By the word of their testimony shall the whole Red power be brought down (Rev. 12:11). May you be one of those who know their God, are strong and do exploits and by the word of your testimony serve the cause of AMERICA, of all HUMANITY, which is the cause of GOD. MRS. thors as proletarian writers and fellow travelers, but as Party writers and non-Party writers (p. 21, ibid.) . . .

On page 1555, Ben Hecht is listed as an affiliate of the Morris U. Schappes Defense Committee. We quote the Congressional record as follows: "The Schappes Defense Committee is a front organization with a strictly Communist objective, namely, the defense of a self-admitted Communist who was convicted of perjury in the courts of New York . . ."

On page 1650 Ben Hecht is listed as a signer of an Open Letter To Governor Thomas E. Dewey on behalf of Morris U. Schappes, along with other Reds, Marxists and Communists.

HECHT: AUTHOR OF FILTH, ANTI-CHRISTIAN PROPAGANDA:

Ben Hecht, the man with all of the U. S. Government citations, and the man who is now running his own program on one of our largest "Jew" controlled TV networks, was not only one for getting involved with Communist movements but also takes pride in writing some of the filthiest, immoral, anti-Christian material readable. In his book "A Jew In Love", among the literary filth and dirt we find the following passage that explains the caliber and intellect of these people who call themselves Jews: "One of the finest things ever done by the mob was the crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle. If I'd had charge of the execution of Christ I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed to the lions. They never could have made a savior out of mincemeat."

"Every time you blow up a British arsenal, or wreck a British jail, or send a British train sky high or rob a British bank or let go with your guns and bombs at the British betrayers and invaders of your homeland, the Jews of America make a little holiday in their hearts."

—Ben Hecht in a letter "TO THE TERRORISTS OF PALESTINE"

This will give the reader an idea of the kind of a person who is now operating a show on CBS. COMMON SENSE has brought the facts to your attention. If you want anything done about this matter you will have to do it yourself. Otherwise nothing will be done about it.

"A PROGRAM FOR THE JEWS"

—(Continued from Page 1)—

and the Jews that they are identified with communism and internationalism. (74)

Communism was and is the foundation of society, it was and is the basis of all human progress, it is the soul of all social institutions. It is the hope of the working class, and it is the destiny of the human race. (75)

Like communism, internationalism is the foundation of society, it is the basis of all human progress . . . (77).

Internationalism, as the term implies, means a federation of nations in one universal brotherhood of man. (78).

Think of it, even the German alphabet is Jewish in origin! (79).

Marxism is nothing else than our old friends, communism and internationalism . . . Naziism is nothing else than an imitation and perversion of Marxism . . . Hitler adopted the principles, the ideas, the policy and the method of Marxism . . . Where did the nazis get the idea of the National Socialist Party? Where did they get the principles and demands embodied in the 25 demands of the National Socialist Party? And who were the theoreticians of nazism, were they not socialists, communists and men and women who received their education from Marxism? (81)

Even the swastika was stolen by the nazis from the Jews. (82)

The Jews are the best speakers and the best writers in the world (88) . . and what German lawyer can hold his own against a Jewish lawyer! (88)

And now that the Jews are spread over the whole earth, the Jewish state extends all over the earth. This is the reason why the Jewish state is international and so powerful . . . (92)

There is one work on sociology, and only one work, and that is Marx's Capital . . . Only a Jew could write this work. Marx was the first thinker, and to this day, the only thinker, who revealed to mankind the material basis of society and of history. (98)

Since the Jews are the highest and most cultured people on earth, the Jews have a right to subordinate to themselves the rest of mankind and to be the (99) masters over the whole earth. Now, indeed, this is the historic destiny of the Jews.

the Christian world is the most inspiring assurance that the hope of the Jews is coming to a realization: The Christians will become Jews. (174)

For nearly two thousand (177) years the Christians hated the Jews because they rejected Jesus and because they demanded the crucifixion of Jesus. (178)

Thus necessarily grew up an enormous body of laws and ordinances whose sole function was to protect the Jews against a hostile world. (181)

The idea of the brotherhood of men is a Jewish idea . . . The continuity between Christianity and the history of the Hebrews is unbroken . . . For this reason it is essential to insist that Christianity is Jewish, and that Jesus was a Jew. (187)

Hitler's declaration that the Jewish consciousness is poison to the Aryan races is the deepest insight that the Western world has yet achieved in its own nature . . . It is the Jewish consciousness which is the enemy, not an organized Jewish army. (199) . . . It is the hidden penetration of the Jewish spirit into the Gentile mind that is the danger; and it is a danger because the "Aryan" mind cannot resist it, but must succumb . . . The thought of the triumph of the Jewish consciousness fills me with joyous exhilaration, while it casts Hitler into the depths of despair. (200)

The Jews cannot be a part of a real national unity. Hitler is right when he claims that he had to suppress the Jews if he was to unify Germany. (201)

The aim of Judaism is to realize this inevitable human society resting on universal communism. (206)

the Bible rests on a mathematical system of an infinite order. Every letter, word, sentence, and so on, has many numerical values. For our present purpose I will point out only this. The numerical value of the Hebrew word for serpent is 358. And the numerical value of the Hebrew word for Messiah is also 358. The Messiah . . . is the serpent. (209)

the Jews never believed that Jehovah ever spoke to Moses or the Prophets as they pretend to believe. (217). And the Talmud tells us of cases in which some rabbis even overruled Jehovah (219)

RED HIGHLIGHTS

South Korean President Syngman Rhee, with his people behind him, stands ready to die rather than to be turned over to the Communists. Apparently the South Koreans don't want to end up like the Chinese, Polish, Germans, Arabs, and other victims of the "International Jewry" (Communism) Lyr Clark Van Hyning, the fighting patriot from Illinois, is petitioning the court to dismiss the case against her. The plaintiff withdrew the complaint with leave to reinstate when the "Jewish" cabal in Chicago learned that the Dillings were going to introduce evidence into court to prove the defendants' alleged libel statements What is to be done about Albert Einstein ("Jewish genius") and the stand he has taken against the U.S. Government and the Constitution. This character who belongs to approximately 50 Communist fronts has come out recently with the following quote: "Every intellectual who is called before one of the committees ought to refuse to testify, i.e., he must be prepared for jail and economic ruin, in short, for the sacrifices of his personal welfare in the interest of the cultural welfare of his country. Like the "Jews" in the Communist movement, he's defying the whole U. S. government. Who is going to call this refugee's bluff? The Jewish Voice, 6/19/53, states that Einstein and Lehman are the voices of American Democracy.

emancipation of the working class and the Jews will conquer the world and the human race. The races and the nations will cheerfully submit to the spiritual power of Judaism, and all will become Jews. (100)

... a Jew who abandons Judaism and Jehovah and embraces another religion and identifies himself with another god—may he be the son of a Moses—is entirely cut off from the Jewish people and is regarded as dead. (104)

Christianity is akin to Buddhism ... its sole concern is immortality (118). Death is the chief concern of Christianity. (119) Judaism promises reward on this earth and while we live. Christianity promises reward in heaven and only after death. Jehovah is a living God ... Jesus is a dead God ... Judaism rests on a covenant, but Christianity rests on a testament ... A covenant is between living beings, while a testament is between the dead and the living. Judaism is social, Christianity is individualistic. (120)

For instance, the Catholics and the communists believe in universal cooperation and each side strives to extend that cooperation universally; yet, between the Catholics and the communists there is a life and death struggle, because the Catholics regard their idea of cooperation, as being right, true and good, while the idea of cooperation of the communists the Catholics regard as wrong, false and evil. (136)

... when we look deeper into the nature of communism, we see that it is essentially nothing else than a religion. (138)

But the communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of communism was the triumph of Judaism, so also in the triumph of fascism. (143) will triumph Judaism. The fascists believe that they are struggling against Judaism, in truth and in fact they are struggling for Judaism. (144)

It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism; all this was in perfect accord with the progress of Judaism and the Jews. (148)

The Talmud tells us that the whole world was created only for the sake of the Zaddik; the Zaddik is the spiritual aristocrat, the excellent man ... The Zaddik is at the apex of the pyramid. (154) ... Because the Jews were true aristocrats ... the Jews always concerned themselves about the downtrodden and degraded masses. (155)

Any one who accepts the Jewish world philosophy, in the whole or in part, becomes a Jew to all intents and purposes. (159)

The great revolution that now takes place in

will of God. (230)".

Comment by COMMON SENSE: There are masses of material showing that Communism, Zionism, Socialism and all revolutionary movements were launched by Jews. Still many gullible Gentiles refuse to read and learn who is behind the scenes stirring up discord and hate while the strings are being pulled to break down individual governments to set up a One World Government.

Clare Sheridan, traveler and lecturer, stated in an interview carried in The New York World of December 15, 1923:

"The communists are Jews, and Russia is entirely administered by them."

Boris Brasol, in his book "The World at the Crossroads," 1921, on page 109, quotes "The Jewish Daily Forward of New York" as saying: "We feel that this, the Revolution, is a great triumph for the Jews' cause. The anti-Jewish element in Russia has always been identified with the anti-Revolutionary Party. Jews having always sat high in the councils of the revolutionists, all of our race became linked with the opponents of the government in the official mind!"

"Individual revolutionary leaders of Jewish origin played a conspicuous part in the revolution of November, 1917, which enabled the Bolsheviks to take possession of the state apparatus."

From the Universal Jewish Encyclopedia "The Jewish Voice," New York City, for October, 1941, carried the following statement by Dr. Weizmann, world Zionist leader:

"We wholeheartedly respond to the appeal of the Jewish rally in Moscow. ... We are proud of the struggle put up by the Soviet armies whose successes evoke universal admiration and fortify confidence in ultimate victory."

Otto Weininger, a Jew, states in his book: "Sex and Character", Vienna, 1921, Page 413: "The Jew is a Communist."

The end of time is nearing and Antichrist will not delay in coming. However, neither we nor those sisters who come after us will see him, but those who come after them will fall under his reign. The beginning of the End will not come in the nineteenth century BUT CERTAINLY IN THE TWENTIETH CENTURY.

Rabbi Prinz Suit

Readers of "COMMON SENSE" will be happy to now that the defense of the \$250,000 suit for alleged libel brought by Rabbi Prinz against the Editor is now well under way. Three able and experienced attorneys have been retained to combat the charges — Mr. Douglas T. Baker of Newark, and Messrs. Albert W. and Kirkpatrick W. Dilling of Chicago.

On June 26th, the first Court hearing was held in the case. Over the strenuous objections of Jewish attorney Jerome Eisenberg, representing Prinz, the Dillings were admitted by the Court to take part in the full defense of the case. Also, Attorney Baker argued the Editor's plea that the case be dismissed because the complaint lacked legal sufficiency, and the Court granted time for filing of briefs and announced that it would take the matter under advisement after the briefs had been received and render its ruling later.

Rabbi Prinz stated for publication when he commenced the suit that it was "about time this scurrilous sheet" (COMMON SENSE) "was put out of business". The American Jewish Congress, of which the Rabbi proudly terms himself "active Vice-President", a sinister, well-financed, Red-aiding organization with hundreds of thousands of Jewish members, hopes that the threat will be made good. It is up to the readers and supporters of COMMON SENSE to back the defense with whatever funds they can contribute to help with the huge expense that accompanies any lawsuit, and, particularly, the one in question which threatens the very life of a newspaper unalterably dedicated to the preservation of Christianity and Americanism.

EINSTEIN URGES REVOLT

(Continued from Page 1)

"Go Fight City Hall" praises Einstein. Now Einstein tells another Jew, William Frauenglass, a New York public school teacher, that all suspicious as Communists should refuse to answer questions before Committees of Congress. Einstein stated: "Every intellectual who is called before one of the committees ought to refuse to testify, i.e., he must be prepared for jail and economic ruin, in short, for the sacrifice of his personal welfare in the interest of the cultural welfare of his country."

Einstein, a Jewish Red, run out of Germany because he revolted against that government, advises his communist friends to revolt against our government and stated that if he is called before a Congressional Committee he will refuse to answer, as communists before him have refused. What influential Reds were Julius and Ethel Rosenberg protecting when, strapped in the electric chair, they were again reminded they would be released if they would talk? They left their two children and friends rather than talk. COMMON SENSE received numerous letters from informed people stating that they believe Einstein is the mastermind of the atomic spies. Richard O. Boyer wrote in "The New Yorker" that Anna M. Rosenberg hired everyone for the Manhattan (Atomic Energy) Project. This included the Rosenberg spies, Greenglass, Sobel, Gold and other Jew spies. Sworn testimony by Ralph DeSola identified Anna M. Rosenberg as a Communist,—she was a writer for the "New Masses," official communist publication.

We urge the Congressional Committee to investigate Albert Einstein and also Anna Rosenberg, who hired more than a million people for the government while in the Defense Department gumming up the works and planting Reds for the Invisible Government. Einstein, a Jewish immigrant, who has more communist front connections than hairs on his head,—a Red who has insulted this country, defied its laws and has given advice to scores of communists, is very active with Herbert Lehman in influencing Congress to admit 240,000 refugees from Europe in addition to the regular quota and thereby defeat the McCarran-Walters Immigration law. Soon after these immigrants arrive they will become active members of Red groups trying to set up a Marxist government, the same as Einstein.

Another Jew, Robert Oppenheimer, is head of the Los Alamos, New Mexico, atomic plant. It is understood his wife is a Communist as is his

JEWISH COMMUNISM WARS ON THE WHITE RACE

By George Thomas Adams

In the past twelve months, fifteen million Chinese have been settled in Communist satellite states in Europe, particularly in East Germany and Roumania. In the ancient European city of Leipzig, which has always had a German population and a German culture, there is now a Chinese daily newspaper, many Chinese restaurants, and thousands of Chinese residents. More important, the farms left vacant when millions of East Germans were driven from their homes by Soviet orders, have been given to Chinese settlers, and they are encouraged to intermarry with the remnants of the German families who stayed behind. This serves the double purpose of furthering atheist Russia's campaign of extermination against the white race and the Christian religion, and of placating Mao Tse-Tung, Red ruler of China, by helping him to solve China's terrible problem of overpopulation. Mao has done quite a bite to solve it in his own way, by executing fourteen million middle class Chinese since his bloody seizure of power. Mao also sent five million Chinese to be massacred by American machine guns in Korea. Former Secretary of State Dean Acheson, when he was criticized for the high rate of American casualties in Korea, replied by citing much heavier Chinese losses, and declared that we were "wearing them down". It seemed perfectly all right to the former legal representative of the Soviet Government in America if one million American boys were slaughtered and two million Chinese killed, which, of course only saved Mao the expense of killing that much of his excess population.

These fifteen million Chinese are only the beginning of Russia's long-range plans to mongrelize and Mongolianize the white race in Europe. It is one more proof that Russia's sympathies are with Asia, not with Europe and that Jewish communism is the enemy of civilization.

It is understood that the UN plans on bringing five million Chinese into the United States. While this is all going on, the Jews are craftily directing the National Association for the Advancement of Colored People to break down all segregation laws in Southern United States.

The Jew, Elie Eberlin, in his book, *Jew on Today* (Paris, 1923) states:

"Paoli-Zionism goes on with its task in Russia, Palestine and elsewhere. In this very hour it appears as the unique International Proletarian Party. One of its factions joins the Communist Internationale, the other joins the Socialist Internationale."

Of Paoli-Zionism, Rappaport, a Kiev lawyer, wrote (see Parisian Daily L'Intransigeant, May 27, 1920):

"... We have established our power over large industries by means of adroit agitation (labor union organizing, terrorist propaganda against management, etc.).

"... As representative of the Paoli-Zion, I feel it my duty to state to my great satisfaction that our party and that of the Bund have become directing centers, guiding the maneuvers of the flock of Russian sheep."

The London Times for March 29, 1919, reported as follows:

"Of the leaders who provide the central machinery for the Bolshevik movement, not less than 75 per cent are Jews. Among the minor officials the number is legion."

According to World Service, Erfurt, April 13, 1937, ten medical doctors are engaged to watch the health of all persons authorized to enter the Kremlin, and eight of these are Jews.

The following comes from Victor Marsden, Russian correspondent of the London Morning Post:

"At present (1918) all Bolshevik Commissars are Jews. All the agitation for the 'glorious Revolution' both in 1905 and 1917 was worked out by Jews. The Jews have stripped Russia bare of all portable property..."

According to the New York American of April 4th, 1936, quoting a Jewish Telegraph Agency cable from Paris:

"International Jewry is definitely siding with the Spanish Government."

The following is from the pen of Alfred Nossigs, a Jew, in his book, *Intergral Jewdum*, Berlin, 1922:

"Socialism and the Mosaic code are not at all in opposition... all Jewish groups... have a vital interest in the victory of Socialism; they must exact it not only in principle, not only because of its identity with the Mosaic doctrine, but also on tactical grounds... The Jewish socialist is reproached with playing a leading part in the Communist terrorist party."

investigation on...

AND NOW EISENHOWER HAS APPOINTED ANOTHER KUHN, LOEB COMPANY JEW, LITCHENSTEIN STRAUSS, TO HAVE FULL CHARGE OF THE ATOMIC ENERGY PROGRAM. Of the 150,000,000 Gentiles, isn't there one among them qualified to handle these key positions? The stage is set for Jewish dictatorship. God have mercy on us.

THERE IS ONLY ONE CHANCE TO SAVE OUR COUNTRY, NAMELY, IF A SUFFICIENT NUMBER OF PEOPLE BECOME JEW-CONSCIOUS SOON ENOUGH. JEWS ARE SPENDING AN AVERAGE OF TEN MILLION DOLLARS EACH YEAR PROMOTING TOLERANCE AND BROTHERLY LOVE TO DISCOURAGE PEOPLE FROM EXAMINING THE JEWISH QUESTION. NO OTHER GROUP ON EARTH NEEDS TO DO THIS.

Bernard Lazare a Jew, in his book, *Anti-Semitism and Its Causes*, Paris, 1894, wrote:

"The spirit of the Jew is essentially a revolutionary spirit and, consciously or otherwise, THE JEW IS A REVOLUTIONARY."

"More than one-third of all Jews in Russia have become Soviet Officials."

The Jew, Louis Fisher, wrote the following in the *"New York Jewish Tribune"*, January 18th, 1924.

"If Bolsheviks are to be judged from what the Jews have gained with them in the realm of instruction the verdict is certainly in their favor."

The *"L'Univers Israelite"* Sept. 5th, 1867, Paris) carried the following: "Revolution with its Equality and Fraternity, is the star of Israel."

On page 291, we find Lawton writing in his *"The Russian Revolution"*:

"Only the Jews can live; only they are clever enough to dodge the inspectors, who are on the doorsteps day and night. They fill their shops with things smuggled over the frontiers. When it is too hot for a Jew he thinks nothing of liquidating his business and opening up somewhere else, or painting up another name over his shop and putting the business in the name of some relative."

The American Hebrew stated (Sept. 10, 1920): "What Jewish idealism and Jewish discontent have so powerfully contributed to accomplish in Russia, the same historic qualities of the Jewish mind and heart are tending to promote in other countries..."

Defense, carried out... away with segregation in the armed forces. Jewish controlled publications are constantly trying to put over the idea that we are all one big family and that negroes and whites should fraternize and marry. Anna Rosenberg was very active in sending negro occupation troops into Germany. It is reported that there are now 50,000 unwelcomed negro children in Germany and the Western Zone has been urging the United States to accept the responsibility for these negro children. Mongrelization is an important feature of the plan to break down nationalities and religions so as to set up World Government ruled by Jews.

(This transcription of Rabinovich's speech was given me by a former Bulgarian diplomat who broke with the Communist regime and reached Budapest, Hungary, where he hid out with anti-Communist friends until March. While there, he obtained a copy of this speech, and was then smuggled to Hamburg, Germany, finally making his way to this country. A gentleman in Hamburg gave him my name, and he met me and urged me to distribute this speech at once. I sincerely hope that it will give the American people a better picture of the force arrayed against them.)

Abominable

Yet True

WOMEN'S VOICE is in receipt of a communication which, in our opinion is of the greatest importance. It is important because the contents vividly recall the boastful, impertinent and contemptible utterances of a certain Marcus Eli Ravage who, in January 1928 and in February 1928, in the CENTURY MAGAZINE published two articles: 1) A REAL CASE AGAINST THE JEWS; 2) COMMISSARY TO THE GENTILES.

The contents of the speech herewith published so specifically fit the present day world situation that every thinking American should ponder over them; the spirit therein displayed is the very spirit which animates the concealed wire-pullers in the councils of the United

Nations who are destroying America, its Constitution and institutions. The speech also exemplifies the MASTER PLAN outlined in the PROTOCOLS OF THE ELDERS OF ZION. Although made in Buda Pest, Hungary, a country behind the Iron Curtain, the Rabbi's speech, like many other documents of importance has lately reached the United States. It follows:

"Greetings, my children! You have been called here to recapitulate the principal steps of our new program. As you know, we had hoped to have twenty years between wars to consolidate the great gains which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to

have dictated the peace. I am sure
you will need little preparation for
such a duty, for sacrifice has always
been the watchword of our people,
and the death of a few thousand
Jews in exchange for world leader-
ship is indeed a small price to pay.

To convince you of the certainty
of that leadership, let me point
OUT TO you how we have turned
all of the inventions of the white
man into weapons against him. His
printing presses and radios are the
mouthpieces of our desires, and his
heavy industry manufactures the
instruments which he sends out to
arm Asia and Africa against him-
self. Our interests in Washington are
greatly extending the Point Four
Program for developing industry in
backward areas of the world, so
that after the industrial plants and
cities of Europe and America are
destroyed by atomic warfare, the
whites can offer no resistance against
the larger masses of the dark races,
who will maintain an unchallenged
technological superiority.

And so, with the vision of world
victory before you, go back to your
countries and intensify your good
work, until that approaching day
when Israel will reveal herself in
all her glorious destiny as the light
of the World!"

The above speech was made in

precipitate World War III within five years. (Emphasis ours. Ed.)

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a King and every Gentile a slave! (applause from the gathering). You remember the success of our propaganda campaign during the 1930s, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar Propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage, while a nationwide anti-Communist scare is sweeping America. This campaign is forcing all of the smaller nations to choose between the partnership of Russia or an alliance with the United States.

Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections. The Russian, as well as the Asiatic

peoples, are well under control, and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of anti-Semitism, which worked so well in uniting the Americans against Germany. We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet power. **Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we shall stage anti-Semitic outbreaks in several of their largest cities. This will serve the double purpose of exposing reactionary sectors in America, which then can be silenced, and of welding the United States into a devoted anti-Russian unit.**

Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel, of course, will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commissions into all of the wrecked countries. This war will end for all time our struggle against the Gentiles. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. **Our Control Commis-**

sions will, in the interests of and wiping out inter-racial to forbid the whites to mate whites. The white woman must habit with members of the races, the white men with women. Thus the white race disappear, for mixing the dark the white means the end white man, and our most dangerous enemy will become only a man. We shall embark upon an era of thousand years of peace and the Pax Judaica, and our rule undisputed over the earth. superior intelligence will enable us to retain mastery world of dark peoples.

(Question from gathering) what about the various after the Third World War

The Rabbi: "There will be no more religions. Not only will the existence of a priest class be a constant danger to our belief in an after-life, we will use our spiritual strength to irreconcilable elements in many countries enable them to resist us. However, retain the rituals and customs of Judaism as the major hereditary ruling caste, stringing our racial laws so that no one will be allowed to marry outside of race, nor will any stranger be accepted by us.

We may have to repeat the days of World War II, when we were forced to let the Gentiles sacrifice some of their children in order that we may have

Beaten In Brutal Assault

Windows Smashed; Editor Escapes With His Life, As Jew Terrorists Strike! Jews Say They'll Kill McGinley and O'Brien, If One More Issue of Common Sense Published!

Under cover of darkness at midnight, June 3rd, 1952, two carloads of Communist Jews stopped their cars at the office of COMMON SENSE in a third attempt on the life of the editor, Conde McGinley. This group, which preaches so much "brotherly love" and "tolerance" bombarded the office with bricks and pieces of cement breaking the large plate glass window and causing considerable damage. This was a repetition of the midnight attack on March 4th when a car full of terrorists smashed the plate glass window on this bitter cold night when the editor was suffering from virus-pneumonia, so ill he could hardly walk. The first attempt on the editor's life took place when four bombs set to go off 5 minutes apart were placed adjacent to the building on October 31st last year, which, thanks to Divine Providence, was unsuccessful.

For various reasons the editor preferred to ignore the previous attacks but this latest attack proved more violent and he decided his readers should know of the vicious methods used by the enemies of Christ.

Along with this latest attack came a severe warning and threat via the telephone which

was timed to coincide with the confusion resulting from the breaking in of the front part of the building. The conversation which lasted about twenty minutes ran something in this manner. "Is this McGinley? We are Jews who belong to an organization that has decided COMMON SENSE is not going to be printed. What has just happened is a sample of what is to come. We have decided to kill you and your assistant O'Brien if you print another issue." McGinley told them killing him would not settle the question as there were others ready to take his place. The Jews replied "we will get you one by one and will get you when you least expect it." The editor explained he was not against all Jews as he knew all Jews were not Communists. The reply came back that "all Jews should be Communists." The editor suggested they select three of their leaders, and that he would furnish three former Jews who are not Communists to represent him, and if their leaders could prove that COMMON SENSE was printing anything but the truth, he would apologize and discontinue publishing the paper. The Zionist answered "We are not interested in

to us and about six men jumped out. One threw a rock through the windshield and told us to get out of the car. Before we could get out they were pulling us out. They then started beating us with skid chains and fists until both Ed and I fell to the ground. They beat and kicked us for several minutes. The men then got in their car and left, but before they pulled away Ed got their license number which was turned over to the police. When it was all over I noticed Ed laying on the ground all covered with blood. I tried to take his shirt off because he had his good clothes on. His face was badly bleeding. There was a hole in my neck. I went to the hospital and later Ed was taken to the hospital. He had lacerations and abrasions."

that; the paper has to be stopped. We keep up with every move you make and every time you go out of that door you can look for us." During the conversation special emphasis was placed on the fact that McGinley was opposing Eisenhower. They also mentioned they knew the paper was printed in Florida but now printed in New Jersey again. Two men took part in the conversation, threatening violence if the paper was printed, and several times the party talking stopped to say "Wait until I talk to my boss," and the boss came twice to the 'phone to talk to McGinley. The editor called attention to the fact that COMMON SENSE had offered space in the paper for the Communist Jews to refute its charges. McGinley stated it would be a mistake to kill him as everyone would know it was the Jews. Jews should keep in mind there are localities in the United States where not millions of Jews like in New Jersey, and if the Jews were would hire a bodyguard to protect they could not be blamed. McGinley their leaders were criminals and

DISPATCH

Union, New Jersey

Dear Patriot,

Bernard Baruch is pushing for a "Stand-By" Mobilization legislation so that the minute a move can be interpreted as an attack, every citizen and all factories and resources will be under rule by those whom Zionism designates -- rule by the Invisible Government. Reports from Washington indicate that the plan is to place General Mark Clark, half Jew and a Zionist, as Chief of Staff, and General Curtis E. LeMay, Jew, as Chief of Staff for the Air Force.

Admiral Lewis L. Strauss, Jew, and associate of Kuhn, Loeb & Co., has been appointed No. 1 Atomic Energy man. Arthur F. Burns, an Austrian-born Jew, has been appointed Economic Advisor to the Administration. Our information is that he is Red. His record back to N.R.A. days should be investigated. He succeeds Leon Keyserling, a Jew. It is reported that Leon's wife is a Communist; it is anyone's guess as to Keyserling.

Gentile stooges for Zionists have been placed in key spots with a Jew just under them. Are the Zionists setting the stage for an early war, with or without the consent of Congress? Or is it the plan to create an emergency, then with a mobilization law and Civil Defense in their hands, take over as they have in all Communist-controlled countries?

PLEASE ALERT EVERYONE POSSIBLE TO PROTEST TO THEIR REPRESENTATIVES IN WASHINGTON TO BERNARD BARUCH'S MOBILIZATION BILL. WE STAND AT THE CROSSROADS.

Sincerely your for Christ and Country,

Mystery Funds Make N.J. Hate Sheet Mouthpiece of Anti-Jewish Groups

By IRVING LEIBERMAN and MALCOLM LOGAN

During recent weeks the country has been flooded with copies of "Common Sense," a four page semi-monthly published in Union, N. J., which uses an anti-communist approach to spread virulent anti-Semitic and anti-liberal propaganda.

A sudden, mysterious prosperity has transformed it abruptly from an obscure and struggling tabloid into the most widely circulated mouthpiece of racial and religious hatred in the East and verily likely in the entire nation.

"Common Sense" has no connection with any other past or present publication of the same name.—Ed.

This success has promoted Conde McGinley, owner and publisher of "Common Sense," into the front ranks of the purveyors of bigotry and promises to make his locked and curtained office in Union the center of their activity in this region.

McGinley's sheet, which he calls "The Nation's Anti-Communist Newspaper," had only about 7,000 paid subscribers during the year ending last October, according to McGinley's sworn statement.

Huge Free Distribution

But somewhere McGinley has found the funds to print and circulate huge quantities of the last two issues of "Common Sense"—so many that as late as Nov. 30 he was still mailing out free copies of the Oct. 31 issue.

McGinley himself would not say how many he has mailed, but it is estimated that 300,000 copies of the Oct. 3 issue and perhaps 500,000 of the Oct. 31 issue went out to influential persons and organizations in the country.

with a departure in the content of "Common Sense"—a complete preoccupation with anti-Zionism, which McGinley represents as a Communist and Jewish conspiracy against the U.S. and its great and good friends, the Arabs.

McGinley founded his sheet about three years ago under the name of "Think Weekly." From the beginning the publication paralleled the usual line of the native hate-mongers by charging that Communism was one phase of a world-wide Jewish "plot" and conjuring up the shadowy menace of an "invisible government."

ment" (run of course by Jews) which dominates the present American government.

"Common Sense" defended the American deserter to Hitler, Robert H. Best, who is now serving a life sentence for treason, and published some of Best's almost incoherent outpourings.

It has promoted fear and hatred of Negroes by charging a Communist plot to create a "Black republic" in the South and by violent attacks upon the FEPC, which it labeled as another Jewish-Communist scheme.

Fought Admission of DPs

It has been assiduous in promoting sympathy for Germany. It has fought the admission of displaced persons, particularly the surviving Jews of Europe.

In addition to Best, its contributors have included:

Merwin K. Hart, apologist for Gen. Franco who has recently become increasingly bold in his attacks upon Jews.

Rep. William Lemke of North Dakota, who ran for President in 1936 as the candidate of the Union party with the support of Father Coughlin and Gerald L. K. Smith.

Hallam K. Richardson, counsel for pro-Arab propagandists, and Joe Williams the pro-Nazi rabble rouser.

Samuel B. Pettengill a leader of Frank E. Gannett's reactionary Committee for Constitutional Government.

Rev. Edward Lodge Curran of Brooklyn, once Father Coughlin's representative in the east.

Soon after McGinley established himself as a publisher, he formed an organization called the Loyal American Group to promote his paper. This organization has held numerous meetings in New Jersey at which the sponsors have offered for sale some of the most poisonous hate literature published here. The meetings have also been used to solicit funds for food and clothing for Germans.

Concentrates on Zionism

After "Common Sense" abandoned its other anti-Semitic approaches for a concentrated attack upon Zionism as a Jewish-Communist plot, McGinley devoted every line of the Oct. 3 and the Oct. 31 issues to this theme.

"Zionism Threatens Nation's Security," screamed the huge black headline of the Oct. 3 issue. The headline on Oct. 31 said "Communist and Zionist hyphenated Americans corrupting loyalty of important U.S.A. groups, endangering Nation's security and world peace."

This sudden policy change

may be explained by statements made to The Post Home News by persons in position to know that Benjamin H. Freedman, the well-heeled pro-Arab propagandist, took an active interest in publication of these two issues.

Freedman is the founder of the League for Peace and Justice in Palestine who spent money lavishly in 1946 for a series of full-page advertisements in newspapers here supporting Arab claims to all of Palestine. He was subsequently revealed by his own testimony as a close associate and co-worker of Arab League propagandists and lobbyists and as a fervent admirer of Hitler's collaborator, the "Grand Mufti" of Jerusalem.

Tomorrow: Freedman's interest in "Common Sense."

Freedman, Mufti's Admirer, Named Backer of New Jersey Hate Sheet

By IRVING LIEBERMAN and MALCOLM LOGAN

Several months ago Conde McGinley, owner and publisher of the semi-monthly, "Common Sense," began outgrowing the office in Union, N. J., where he puts out his anti-Semitic and anti-liberal publication.

For almost three years he had occupied a one-story building at 2001 Pleasant Parkway. Then he took over the two adjoining one-story offices at 2003 and 2005 and had passage ways cut through to make the three buildings into a single office.

During the same period, according to Mrs. Ruth Douglas, the Union Postmistress, there was a tremendous increase in the number of copies of "Common Sense" sent through the mails. Mrs. Douglas described his present postoffice business as "terrific."

Since early this year, McGinley has had second-class mailing privileges which he uses for sending "Common Sense" to his subscribers. These, according to McGinley's sworn circulation statement in the issue of Oct. 17, averaged 7,074 during the preceding year.

But this class of mailings constitutes only a fraction of McGinley's present postal business.

Hundreds of thousands of copies have been sent free to influential persons and organizations in all parts of the country on a postal meter permit at third-class rates, which are higher than second-class.

From the Atlantic to the Pacific coast, free copies of the Oct. 3 and Oct. 31 issues, both devoted entirely to violent attacks upon Zionism and upon Jews, have been received by members of Congress, United Nations delegates, parent-teacher organizations, Kiwanis and Rotary clubs, American Legion poets, college librarians, newspapers, radio stations and business organizations.

It is estimated that McGinley may have mailed out as many as

FOR NEARLY THREE years, the semi-monthly "Common Sense" struggled along in a one-story building at 2001 Pleasant Parkway, Union, N. J. More recently, the publication took over the two adjoining one-story offices at 2003 and 2005 with passageways to make the three buildings into one single office.

300,000 copies of the Oct. 3 issue and that his present circulation, nearly all of it unpaid, may be close to half a million.

Taking an average of 400,000 free copies, the cost of this flood of propaganda would run into thousands of dollars for each issue. Printing costs for 400,000 copies of the four-page paper would be about \$1,200, exclusive of delivery costs, and at one-cent a copy the mailing would be \$4,000.

This indicated that McGinley had found new financial support far exceeding any he had received in his previous three-year experience as an obscure purveyor of racial and religious hatred.

The first hint concerning the source of this backing came when persons on the mailing list of Benjamin H. Freedman, anti-Zionist propagandist, began receiving copies of "Common Sense" through the mail.

Upheld Arab Claims

Freedman founded the League for Peace with Justice in Palestine in 1946 and bought several full-page advertisements in New York newspapers attacking Zionism and upholding the Arab claims to all of Palestine.

In testimony in a libel trial before Magistrate Bushel last May 3, he admitted sending a cable to an agent of the Arab League in which he said he was giving "fullest cooperation" to Hitler's friend, the infamous

"Grand Mufti" of Jerusalem.

In an attempt to learn whether Freedman had financed the enormous expansion in the circulation of "Common Sense," a Post Home News reporter went to McGinley's office in Union on Nov. 24.

The glass doors and all the windows of the three adjoining buildings were covered by shades, venetian blinds and cardboard screens so that no one passing by could see inside. All the doors were locked.

The reporter knocked at the door of 2001 Pleasant Parkway and was admitted by a girl. Four other girls were pasting mailing labels on stacks of the issue of the Oct. 31 issue, the headline of which accused "Communist and Zionist hyphenated-Americans" of endangering the nation's security and world peace.

Enter McGinley

McGinley, a stocky, gray-haired man of 58 with a ruddy complexion and sharp blue eyes, entered in a moment. When the

reporter identified himself, McGinley said, "I know what the Post is. You people are out to hurt us, and I know what kind of a story you're after."

When he was asked if Freedman was associated with him, he replied, "This paper has been operating for three years before I ever heard of Ben Freedman."

To further questions, he said, "I'm not answering any questions about the people who are working with me." He then showed the reporter out.

A telephone call to Frederic Nelson Phillips, Inc., of 305 E. 45th St., which set the type for Freedman's full-page advertisements of the League for Peace with Justice in Palestine, was more productive.

Phillips, asked if he was printing "Common Sense," replied that he had done some typesetting for the paper—"just little odds and ends." He was doing this work, he added, for Freedman.

Walter Sykes, assistant man-

ager of the New York City plant of the Western Newspaper Union, 304 E. 45th St., said that his firm had printed the Oct. 31 issue of McGinley's sheet. The type had been set elsewhere, he said, but his firm had put it into forms, made mats and printed the paper from the mats at its Pittsburgh plant.

"It was a job we did for Mr. Freedman," he said.

Jack Lowry, manager of this company's Pittsburgh plant, told the reporter in a long-distance telephone conversation that the Oct. 31 issue was printed for "Freedman and McGinley and others in that group."

Asked how many copies he had printed, he replied, "Even if I knew offhand, I wouldn't tell you because that is confidential information. Why don't you talk to Freedman? He'll be able to tell you how many copies we printed for him."

Tomorrow: Freedman's back-

El Khouiri is the Syrian dele-

This venture of Freedman's
 indicates that he has found Mc
 Ginley's hate sheet a handy wea-

 recognition of Israel, now that
 Freedman's own League for

 has been discredited because of

 later became "Common Sense."

In it he consistently used an anti-

 racial and religious hatred.

When it was known as "Think

 of the American Legion, Dept. of
 Illinois, had this to say about it:
 "This publication pretends to
 have as its principal purpose the
 combatting of Communism. How-
 ever, a careful reading of its is-
 sues and the lists of its contribu-
 tors gives abundant evidence that
 it is not so much interested in
 the legitimate fight against Com-
 munist in America, but is

 stead of democracy."

 in the columns of "Common

 against racial and religious mi-
 norities.

 haters.

N. J. Hate Sheet Tied To Pro-German Group

By IRVING LIEBERMAN AND MALCOLM LOGAN

Conde McGinley, who has become the foremost merchant of hatred and reaction in the East, has behind him an organization as well as his bi-monthly newspaper, "Common Sense," to spread his propaganda.

The organization bears the usual patriotic label affected by American pro-Fascist outfits—the Loyal American Group.

Its "director" is William O'Brien, but the real moving spirit is McGinley, who uses it not only to promote "Common Sense" but also to give circulation to some of the most vicious anti-Semitic and pro-German propaganda published in this country.

The headquarters of the Loyal American Group is at 2003 Pleasant Parkway, Union, N. J. This address is part of the office at 2001-2005 Pleasant Parkway from which McGinley puts out his newspaper.

As The Post Home News has shown in previous articles, this hate sheet's unpaid circulation has suddenly jumped into the hundreds of thousands, coincidentally with the appearance as an associate of McGinley of Benjamin H. Freedman, the anti-Zionist propagandist and admirer of the infamous Grand Mufti of Jerusalem.

The Loyal American Group, in a membership application circulated to persons attending its meetings in various parts of New Jersey, represents itself as an organization devoted to fighting Communism and "organized atheism," and persons who join are asked to contribute a dollar every three months.

A note at the bottom of the application says, "We urge you to subscribe and ask your friends to subscribe to the anti-communist paper 'Common Sense'—at a cost of \$2 for a year's subscription or \$3.50 for two years. 'Common Sense' returns the compliment by carrying large notices of meetings of the Loyal American Group.

The featured speaker at one meeting this year, attended by almost 500 persons, was John Howland Snow, managing editor of former Rep. Hamilton Fish's

monthly, "Today's World." Snow is also the author of "The Case of Tyler Kent," a defense of the American Embassy code clerk in London who was imprisoned by the British for disclosing war-time communications.

Attacked Marshall Plan

Snow attacked the Marshall Plan and asserted that Christian Germans were the only Europeans entitled to American aid "because the Germans kept their churches open and were the cleanest people in Europe." The anti-Semitic tone of his speech was illustrated by a statement that President Truman "got where he is by Jewish wire-pulling."

The pro-German bias of the Loyal American Group has been evident not only at its meetings but in announcements printed in "Common Sense." The advertisement of the meeting at which Snow spoke, contained this statement:

"The Christian Relief Committee has been instrumental in sending many bundles to cold and starving families in Europe. If you would like to help, bring food or clothing to the above meeting."

A report on this committee subsequently published in "Common Sense" was continued on Page 36

"Common Sense" makes it clear that this aid was given entirely to Germans. Lisbeth Horn of Union, N. J., the committee director, said that letters from Germany "seem to be more pitiful all the time" and called these ex-Nazi supplicants "victims of the Morgenthau plan."

Fascist Pamphlets on Hand

Another speaker at Loyal American Group meetings is John J. Hennihan, a war veteran who at one meeting opposed the draft, attacked Gen. Eisenhower and belabored both President Truman and Gov. Dewey as bipartisan "internationalists."

At these meetings a wide variety of publications are offered for sale, ranging from the restrained "Facts About Communism," by the Rev. Edward Lodge Curran, former Eastern representative of Father Coughlin, to violent attacks upon American policy in Germany by A. O. Tittmann, a Germanophile pamphleteer of Middlebury, Vt.

In one of his pamphlets on "The Nuremberg Trials," Tittmann asserts that the object of the trial of Goering and other leading Nazis was "through the arrest and elimination of the legal German government to enable the victors to usurp its functions, dress themselves in its garb and make of the military government its pretended successor in order to legalize all of their usurping acts and especially the criminal acts of stealing German investments and assets in Germany itself and in the rest of the world."

"It is not surprising that the idea of 'trying' the leaders of the vanquished nations," he went on, "should have stemmed from a Jew, Judge Samuel I. Rosenman, the unofficial adviser of Roosevelt and later of Truman, himself in close liaison with Bernard Baruch, multimillionaire and famous 'park-bench politician,' according to Henry Klein, well-known New York attorney and defense lawyer in the notorious Washington 'sedition trial,' chief agent of the Sanhedrin and dominating both the executive and making part of our govern-

Urged 'Sic'

This anti-Semitic defender of the Nazis in 1947 wrote to a New York City woman: "Within Germany the only hope, in my opinion, is for them to start a Sicilian Vespers and bring their tormentors down with them."

The "Sicilian Vespers" occurred on Easter Monday, Mar. 30, 1282, when, at the first stroke of the vesper bell, the people of Palermo, Sicily, rose up and wiped out the entire French garrison established there by Charles of Anjou. The equivalent of the French garrison in present-day Germany is the occupation forces, including those of this country. Accordingly, Tittmann would appear to be advocating the massacre of soldiers of the occupying armies, including American soldiers.

This is the kind of company that Conde McGinley keeps.

It is quite understandable that Freedman, the pro-Arab intriguer, has found McGinley an ideal collaborator in spreading anti-Zionist and anti-Jewish propaganda.

Last Article of a Series.

Uncommon Nonsense

Revelation by the Post Home News that the Jersey-published hate sheet, "Common Sense" is backed by "Sahib" Benjamin H. Freedman, should come as no surprise.

The "Sahib," number one American apologist for pro-Nazi Arab leaders, is noted for smearing the Jews and Zionism in behalf of his Middle Eastern friends.

The surprise is that the U. S. Post Office permits the Jew-baiting newspaper to be sent through our mails.

We remember that our Postmaster General once inspected a magazine featuring luscious pin-up girls, did an outraged double-take at the ladies' filmy attire and forbade the publication mail passage on the grounds of obscenity. The Supreme Court had to remind the gentleman that he was not America's official censor.

Indeed, our postal authorities are (often properly) assiduous to the point of blue-nosed frenzy when it comes to putting alleged smut in its rightful place—the wastepaper basket.

Yet "Common Sense"—an infinitely corrupt newspaper, delighting in a political pornography which turns our very democratic convictions into a filthy joke—travels, immune as Aunt Mary's thank-you note, through our mails!

The Post Office reportedly explains that it is without authority to exclude matter from the mails solely because a particular race or group is attacked.

It reputedly states that according to Section 599 (Postal Laws and Regulations, 1940) printed material of a scurrilous or defamatory character can be stopped only when it appears on the outside of mail and an identifiable individual—not a group—is smeared.

All right.

"Common Sense" is mailed without a wrapper so that its first page could be read by any slightly curious postal employe.

On August 22, 1948, "Common Sense" featured a front-page attack on Herbert Lehman, falsely accusing him of spending UNRRA "billions to set up Communism in Europe."

Lehman is an "identifiable individual," Mr. Postmaster.

On November 30, 1947, "Common Sense" ran a page-one spread, falsely implying that David Lilienthal was part of a plot to reduce America to "Marxist Slavery."

Lilienthal is not "a group."

Let the postal authorities enforce the law by banning "Common Sense."

If, because of some legal gimmick, the ban does not stand a court test, we will at least know exactly where our postal regulations must be amended—to protect ourselves and our children from printed perversions.

Ask Clark to Probe Outfit Behind Jersey Hate Sheet

By IRVING LIEBERMAN and MALCOLM LOGAN

Atty. Gen. Clark has been asked by the Non-Sectarian Anti-Nazi League to determine whether Benjamin H. Freedman, Conde McGinley, publisher of the hate sheet "Common Sense," and their associates in pro-Arab propaganda activity, have violated the Foreign Agents Registration Act and other Federal laws.

In a telegram to Clark, James H. Sheldon, administrative director of the Anti-Nazi League, charged that the actions of the two men "in concert with the Grand Mufti or his agents" called for investigation to check the possibility of violation of the statutes governing correspondence with foreign governments.

"It is evident that this group of propagandists intends to expand its activities in the near future, as is clearly demonstrated in a series of five documented articles which appeared this week in The Post Home News, disclosing that the anti-democratic newspaper Common Sense published by Conde McGinley at Union, N. J., is now being distributed in fortnightly editions approximating one-half million copies each, principally devoted to anti-Zionist material," Sheldon's telegram said.

"The financing behind this dangerous activity is also shown to be that of Freedman, who is in addition shown to have personally dispatched a large quantity of this propaganda material via air express to Faris Bey el Khouri, chief Arab League spokesman at the United Na-

tions in Paris, within the past few days."

Sheldon asserted that the activities of Freedman and his associates "have involved repeated acts of collaboration with a principal Middle Eastern political agent of the Mufti, attempts to negotiate purchase of machine gun plants for erection in Pakistan, preparation of propaganda material distributed throughout the nation in the interest of a foreign power, payment of costs of a lobbying dinner attended by 52 members of Congress, arrangement of conferences of Arab diplomats with the Acting Secretary of State and many additional activities of similar import."

"The physical merging of the propaganda mailing lists of Freedman's League for Peace with Justice in Palestine with those of the Mufti's Arab Higher Committee delegation in New York, and the subsequent use of these merged lists for distribution of current issues of McGinley's publication Common Sense is one further illustration of the closeness of this collaboration."

Sheldon followed this wire with

a six-page letter to Alex Campbell, chief of the Criminal Division of the Justice Dept., detailing the activities of Freedman and his group and enclosing a large number of exhibits, including the Post Home News articles exposing "Common Sense."

He named as Freedman's associates Charles Passman, a former British official who is head of a trading company in the Middle East with which Freedman has had dealings; Habib I. Katibah, of the Institute of Arab-American Affairs, Inc.; and Hallman M. Richardson, counsel for the League for Peace with Justice in Palestine.

Sheldon asserted that "the bulk of the legal evidence which would be needed to support a Grand Jury investigation . . . can be found in the record of 22 days of cross-examination of Freedman and other witnesses in Richardson's criminal libel action against the Rev. Henry A. Atkinson of the Anti-Nazi League, which was dismissed by Magistrate Bushel last May 26."

Called Advisers to Mufti

After detailing Freedman's many statements showing collaboration with Arab agents, Sheldon wrote:

"It appears from the foregoing that Benjamin H. Freedman and his associates were continuously advising the political interests of the Mufti and his party, and of the governments of the Arab League, and that they so acted in concert with and under the direction of the foreign principals noted."

"We therefore urge that appropriate action be taken." As to "Freedman and his associates Katibah, McGinley, Richardson and Passman."

Legion Women Foil Hate Sheet Backers

Continued from Page 4

"Sense" says "Affix them to your envelopes, letterheads, etc. All profit used to combat communism."

When Mrs. Matthews made her speech, there was no immediate protest. About a week earlier, members of the New York County units had begun receiving copies of the Oct. 3 issue of "Common Sense" through the mail. After the meeting a number of unit officers read their copies and were outraged by the anti-Semitic tone of its attack upon Jewish aspirations in Palestine, as well as its futile effort to identify Zionism with Communism.

Strongly Protested

On Nov. 22 a meeting of New York County officers was held at county and state Auxiliary headquarters, 500 Park Av., with Mrs. Fannie Bandell, county chairman, presiding. Several members arose and heatedly protested Mrs. Matthews' recommendation to buy McGinley's stickers, charging that "Common Sense" was anti-Semitic.

Subsequently all unit presidents

in Manhattan received the following postcard from Mrs. Bandell:

"My dear Madam President:— Our Dept. President, Mrs. Mae Matthews, has asked me to send this message to all units in New York County: That she has retracted her recommendation that we purchase the stickers or stamps called, 'Wake Up America, Communism is Treason,' from the organization called 'Common Sense.'"

Mrs. Ida N. Ashby, department secretary, said, "After we found out about 'Common Sense,' we decided that they are not what we want to deal with. The minute I heard about it, and at the request of Mrs. Matthews, I called the state's 10 district chairmen and told them to get word immediately to their members not to buy the stamps."

Mrs. Ashby said the stickers were first called to Mrs. Matthews' attention a short time before the Staten Island conference by Mrs. Aurora Alexander of Tupper Lake, N. Y., a former department president.

Mrs. Matthews, the secretary recalled, asked Mrs. Alexander if she was certain it was all right to recommend purchase of the stickers, and Mrs. Alexander replied that it would help in the Legion's fight against Communism.

"That sounds very good," Mrs.

Matthews replied, according to Mrs. Ashby. "It expresses what we want to do."

Expect National Ban

Mrs. Bandell, the county commander, said she believed Mrs. Matthews was motivated by a sincere desire to fight Communism. She added that she understood the Legion's national officers would shortly issue a directive to all Legion and Auxiliary posts to have nothing to do with McGinley or any of his enterprises.

When Mrs. Bandell was asked how the mailing list of Auxiliary members in New York County was obtained by McGinley or one of his associates, she replied:

"I do not know, but I'm quite sure that an investigation will be made to find out how that list reached McGinley or Freedman. There is a standing order that the mailing list is never to get out of the Legion offices."

The publication, a semi-monthly, is published in Union, N. J., by Conde McGinley. Under the pretext of fighting Communism, it has consistently attacked Jews and has recently been used by Benjamin Freedman, the pro-Arab propagandist, to spread anti-Zionism.

"A delegate, James A. Gerns, found a copy on the Third Ave.," Father Daly said. "Although it was the first copy we have seen, we wanted to warn our people against it. Such doctrines have no place in America and we hope to see no more in The Bronx."

"I recommended the censure, and it was unanimously approved."

This action, which took place at the meeting of delegates last Tuesday, was the latest of a series of public protests. Recently the New York State America Legion warned its members that it was a "hate sheet."

DESCRIPTION OF SUBJECT:

FACTS OF COMPLAINT: Complainant is personally acquainted with the writer. He advised a short time ago an individual appeared at his home in Union, New Jersey and asked him to make a contribution to an anti-Communist magazine. Complainant claimed he was busy in his home at the time and without having any discussion about the magazine gave the individual a \$1.00 bill. Since then he has received copies of COMMON SENSE for 12-1 & 15-50; 1-1 & 15-51; 2-15-51; 3-1-51. Complainant said while the reading material was anti-Communist it was very anti-Semitic and gave indications of being fascistic.

I would very much like some information concerning some newspapers I have been receiving, for some time without soliciting same. My main interest is whether these publications are of the subversive type.

The first one is "^{newspaper} The Broom" copy enclosed, of which I have read a couple of copies, and can't seem to understand. The second is "Common Sense", published

VITAMIN RACKET:

Your body is so organized that it manufactures vitamins from simpler substances. That is how everything is effected in the universe. The man who tells you vitamins make vitamins is a liar. All simpler substances have no traces of vitamins or other classifications. Commercialism is withholding this information.—Dr. J. N. Goldwasser.

The Elders of Zion

We can witness again and again that the Protocols are no "Forgery" but are the blueprint for the policy of Stalin, Attlee, Truman, and every other existing government on this globe, including the Vatican.

Just now, when Gen MacArthur, Col. Robert McCormick, Sen. Knowland, etc., are denouncing the policy of the Chicago Tribune, you try to find the policy of independence in expressing the editor's viewpoint, which is the essence of FREEDOM of the Press. No doubt I make mistakes, no doubt I have used poor judgment in trusting certain individuals to be truthful and factual reporters and correspondents, but such experience ripens one for better journalism; everybody has to learn and errors are part of it.

But your policy and attitude, your expectations, your concept of a Free American Press are diametrically opposed to mine as well as to the concept of a Free Press itself. I am sorry that the majority of your Yorkville Germans, evidently, still hold to the old country notions of a controlled and censored press and have not been Americanized regardless of how long they sojourned over here.

There has always been a battle between the business office and the editorial department in the commercialized and commercially supported press. The business management wants sales, the editor wants facts and truth, regardless of who is displeased. Your principles, so called, of placing sales above editorial liberty, are plain "principles" which the Jews applied to me in attempting to force me to desist from "singing the truth about them". Like yourself, they advised me, as you did in your letter of April 30: "... but if such articles are sent to you I would like to ask you to send them to me first, before printing."

That is exactly what Nate Baranov, as I know,

permanent by expulsion. His motion carried. Fleckenstein insists that this procedure was illegal because — perhaps again — he and his followers were not present to vote. But — whose fault was it that they had deserted their posts?

WALKOUTS in Industry

The right to "strike" and having operations by voluntary and for walkouts" in the industry, which is a right to strike. C. LEON de ARYAN, editor THE BROOM.

A. O. Tittmann wrote us a very interesting letter re: the Fleckenstein-Brand muddle. Because of lack of space we shall publish it in the next issue together with our reply. The title of the article: Catholics Equal Mulattoes.

Did you not know that Catholics advocate equality of the white man with colored people? The true Negro refuses to mix socially, or mix his blood, with other races. He is proud of his own stock and keeps it pure as God intended him to do. The Catholics and the Communists advocate social equality which inevitably leads to miscegenation and MISCHIEF. What white man wants to follow the leadership of a Catholic or Communist and destroy his own race?!

Vital Minerals

My dear, dear Kost: Your various letters, notes, enclosures, etc., always much appreciated, and the new issue BROOM is very good; only I pray you have the wisdom to not cut down your gain in your anxiety to pay for it. Faith without works, of course, is dead, but you also know that the Father's plan never intends you to "break down" in doing the work you are supposed to do.

Glad Dr. Bronner helps you with a goodly

FBI during past two wars, that has conditioned half the population to apathetically submit to the abuses of the Newdeal, Fairdeal and Jewdeal. Since it is preferable to be dead than live in eternal fear, our enemy, truly, is FEAR and not the communists. Once we conquer fear and apathy the Communists will have lost all power to control or conquer us. This is pre-eminently a spiritual nakedness. Those who love God, is what I want to know, are they to find the purpose for my life here and now, to do what is right.

How can I know what the spiritual laws are? How can I find the right answer of what to do, whether to stay here or go some place else? Any help you can give will be very deeply appreciated and prayerfully accepted.

As much as we can use the money you need it, too. Here's \$5 to help out a little bit.

Sincerely, IRENE.

Dear Irene: Thanks for your "mite". I do need it more than you.

William Kullgren is doing his duty as he sees it by warning his readers to prepare for the storm of world war III with its various bombing threats. Now you want to know what you and your family should be doing, whether to leave your new home or stick it out as your husband believes. I, personally, will stick it out for duty's sake, since the Lord's promise is that even though "ten thousand shall fall by thy side, it shall pass you by".

In London, during last war's bombardment, there was the office of a sun-worshiper in the midst of a thoroughly bombed out district. A stairway led up to it. After the bombardment destruction was all around, even the building as such was a wreck but the stairway and the office at the top of it stood undamaged, the odddest sight imaginable. "Yes — once spiritual

column.

George shows his hand in never giving a play to the work of the Lessing Rosenwald group of anti-Zionist Jews. On the contrary, he denounced Alfred Lilienthal, a distinguished member of that group for his article in the READERS DIGEST a year or more ago. That article took a definite stand against the dividentality as between America and Israel which is so obvious among the Zionist Z. Angkor Wat part in the Arya Zend ritual of fire-worship which Dr. Ha'nish has faithfully reproduced to the extent that the intelligence of his followers permitted him. The songs always give us a lift as well as the spirit of sincerity of most of those present.

There are many who confound sincerity with the truth. A person may be perfectly sincere in the propagation of a lie but that does not change the fact of the falsehood. And a misconception of the eternal, self-enforcing LAW of Life may and does produce the most disastrous havoc and destruction, especially because the follower of blind leadership expected to be led into better realms instead of being wrecked. The resultant confusion and heart-suffering is pitiful. And this effect upon those who follow a deviation from facts and truth compels me to expose and denounce the fallacies of these blind leaders of the blind, to warn against them and their methods, regardless of how unpopular it makes me with the deluded masses.

Dr. Ha'nish has faithfully reproduced the inimitable teachings of the Zend-Avesta and the practices, in principle, of Mazda-Yasna, yet in his ambition of functioning as THE master of a lodge-like community, he jealously insulted and eliminated anyone who had any originality of thought until the vast majority of his followers who remained were of the uncultured,

man for the Jews in San Diego, told me at the time that Hitler was getting ready to invade Bohemia: "I would advise you, Mr. de Aryan, in future to bring any article you wish to publish concerning Jews to me before publication . . . or else" and when I told him that no American worth his salt would accept such conditions the Jews of Fifth Avenue, San Diego, started boycotting our advertisers and frightened them all except two who will today have not regretted sticking out and standing up for their American prerogatives.

I don't even make a covenant with Uncle Sam to accept the administration's "principle" in anything. The Press is Free — as far as our BROOM is concerned. Weicker with nobody and so, naturally, I reject your principles which place "customer satisfaction" above editorial liberty.

If I become your stooge, as a "business man", what good would The BROOM be? Its value lies in the fact that I sacrifice all sales and advertising profits and rather go begging for donations than sell out.

Had I followed your "principles" during the last war and pleased the "patriotic" firebrands who wanted to put everyone with a German name in a concentration camp, tell me, who would have spoken up for your innocent Germans, here and abroad?

I lost customers, I lost advertisers, I went bankrupt. I went cross-country manacle to another one like myself, part of the time a pathetic slave of the journey shackled to a criminal. But did I for a single instant recede from my sovereign and God-given right, guaranteed by our Constitution, to tell the truth about the Jewish conspiracy of ruining Germany and enslaving all Germans, as a starter for enslavement of all the Aryan peoples on Earth? And after all this, you expect me to cower to a few vociferous, ignorant, beer-brained Yorkvillites who assemble (as Fleckenstein wrote and

Ernestine Paul is giving a review of her lectures of the past several years, during the months of May and June, and having mixed them at that time, am endeavoring to attend as many of them as I can. They are exceedingly worth while. And how she does stress the value and importance of understanding and using the breath, and of course I am in full accord with it.

Mildred took in all the "talks" the two weeks she was here, for as you rightly stated in your announcement in the paper, Miss Paul is undoubtedly the best, teaching on the Pacific Coast anyway. Good material in letter from Irene. Miss Paul touched on that same idea, or subject, in her very good talk at the meeting last Sunday on "YOU and Prophecy", giving her interpretation of the meaning of "flee to the mountains", which had already come to be my conclusion; namely, the mountains being the high place in one's consciousness . . . BE STILL and KNOW I am GOD ! . . .

Am with you daily in the Good Thought, dear Kosti . . . in every "Hail to Thee our Absent Brother" before it goes on out into the universe to All . . . that you may more freely express the Divine qualities that are YOU.

This is all for now Kosti dear. Have a happy day. So glad Veiva improves — Fred works. — Love, FERNE

BIBLE WORSHIPPER

Mr. David R. Reid, etc.

My dear Sir: Copy of your letter addressed to Jonathan Perkins, re: Gerald L. K. Smith and the Noble-de Aryan debate on re-incarnation at hand. Thanks for revealing your mental and spiritual status. It is indeed pitiful when one is in the class with those whom Jesus rebuked for worshipping the "scriptures" and seeking "salvation" therein while ignoring the living God, our Father. We shall pray for you. Sincerely, C. L.

Repeat the un-American 16th Amendment!

laws are understood, material things must answer and obey!"

The Zoroastrian sun-worshipper had been regularly saying and singing his *patels* — *prayers* — in perfect confidence of their magic power casting a protective spell — even against German bombs, and the results spoke louder than words.

HOW CAN I KNOW WHAT THE SPIRITUAL LAWS ARE ?

My dear, you have no imagination how thankful I am to you for writing me your letter. You are not an idle argumentative person, too smart for your own good, like the scribes, Pharisees and sophistic "doctors" of all sorts of "sciences" that are not so. You are a simple-hearted girl, genuinely concerned with your problem, the care of your loved ones, and Kullgren did alarm you sufficiently to begin to think and probe. Besides, you have genuine Faith in me and respect and love me and my work, too. So here I can respond according to your Faith. A very rare occasion.

Jesus told us: "When you need wisdom ask of God". I am doing it several times a day, every day. Thru The BROOM I am dealing with problems of world-wide and human-race importance constantly. Several hundred people look forward to the next issue and trust my judgment in the real important matters, as you do, too. In "ordinary" matters I use my judgment in accordance with my experience.

I might even be dead wrong at times, as I have been; but we have to use it thus or we never grow up, we cannot run to "Daddy" over every little trifle or even greater things without employing first our own intelligence and experienced memory. That would be "burying" our talent. But after we did all in our power and the situation is beyond our personal abilities, then we turn to God.

The supreme spiritual law is the Law of Love. Seek it first — for God is Love and His realm is Love — and all these other things follow automatically, even the mental, spiritual and physical world must "answer and obey". The Truth that concerns you is incidents in this material world. In God's Providence every possible occurrence has been foreseen and ordered according to His Love and sense of Right, that we, His children may find our way to recognize and execute His Will in the matter.

The way to your lover's heart is genuine, unwavering love and trust. Such is the way to God. Then you prepare your own senses to listen, to perceive and love our Father's response. By doing His bidding you fulfill the promise in your daily prayer or *patet*: "May Mazda be rejoiced. . . ." And that Joy fills you, lifts you to His level and you know.

Don't you realize that a loving parent never

This is the blight which he cast upon his own activities.

In the next issue we shall present what happened at the Sunday service May 20, when the ex-Methodist Rev. Jesse James (how significant Jackson officiated and gave a memorial sermon of the Birth of Jesus — May 23. It was an insult to intelligence. Our son Fred could have done better justice to the occasion a young as he is.

KOSTI'S HEALTH BULLETIN

On Monday, May 21, at 10:15 in the morning our editor was taken in hand again by Dr. Hele Sanders, chiropractor, with offices at the School of Chiropractic, at 7950 Sunset Boulevard, Hollywood, Calif. She was assisted by one of her girl students. We cannot overstate the case when we praise her method of treatment. This time she shook us up vehemently and the results are coming in, today, Tuesday. Her method is vibratory and hand-massage. It is truly CHIROPRACTIC. THE practice of restoring the organs to their natural positions and functions by HAND manipulation. As an enthusiastic friend of the naturopathic, chiropractic and the osteopathic professions of healing we sincerely advise every adherent of these systems to take a course during the vacation this year to study the SANDEF method. I cannot do otherwise but enrich their knowledge, benefit their patients and make a great step forward in the art of healing.

My dear Mr. de Aryan: Enclosed is a small donation to the champion Christian. Your paper is also the champion. May the Master permit you to continue championing His teachings in practice. Just say: Hello.

A PEACE TO END ALL PEACE

Who, in the name of all that is casuistic invented the weird expression—"preventive war"? Since its only result thus far in a cases, is to bring more war, why not try little "preventive peace"? It might be just the thing to bring about a surcease of militarism and a measure of tranquility.

I am inclosing a letter which I received in Saturday mail, after reading parts of it my husband and I both think you are the proper people to send it to.

We feel this is definitely not the type letter to be sent thru the mails, and to the many persons who would join this without giving it a second thought.

Sometime ago I received literature regarding a book "The Bible Unmasked" by John Lewis. I sent for this book & received it. But I have yet to open the first cover of this book, my curiosity was aroused but my teachings won't let me open this book. After all if one can't believe the bible & its teachings what & where & how are we going to finish up.

If the book can be used in your work, I'll gladly turn it over to you, in fact be glad to get it out of the house.

Yours truly

Dear [redacted]

I spoke with you, over the telephone, about six months ago concerning a questionable letter which I had received through the mail and at that time you gave me permission to call upon you whenever I felt it was necessary.

I am forwarding the enclosures to you because I feel that being anti any nationality, race or creed is un-American and after reading one of these editions I think this newspaper is very definitely anti-Jewish.

Perhaps this is another scheme of the communists to raise money or to induce unsuspecting persons to join their party?

This is addressed to me as the other letter was, as "Mr." - but was not sent through the mails but placed under the door to my apartment. In the apartment house in which I have a one room apartment there are not the regulation government mail-boxes but instead have the special service whereby the bag of mail is left with an employee of the building. He separates and distributes the mail and places it under the door of the apartments. I received the enclosures last night, Tuesday, December 23rd.

I am wondering if there could be any connection between the enclosed material and the other letter which we discussed?

Dear Sir:

I heard from a student in a Long Island school a week or so ago that there was " A Communist Paper this student had seen at school etc".

I asked the student to get me a copy of it,,and was then told that said student had been told by a teacher " That the paper was not really Communistic,--but was written by " A CRACKPOT". "

Still interested, I asked for a copy, but the student said that I would have to " GIVE IT BACK," as the teacher did not want to give it away.

I gave my word to give it BACK. So I got it and read it all ver carefully., and gave it back.

This is why I cant just send it to you. but here is the general dope:

JESUS NOT A "" JEW ""
CONSPIRATORS CAPITALIZING CHRISTIAN CONFUSION

RED-LED, ANTI-CHRIST, WORLD-WIDE, CREEPING-CONQUEST WINNING, COLD-WAR WITH
STRATEGY BASED ON CONSPIRACY

Then follows 4 pages of fine print on cheap paper that takes two hours to read explaining that Christ came from Judea he was not a Jew etc, and what most good Americans I think would call a rabble rousing attack on all Jews; and Quoting from the TALMUD(on page # 4) a lot of things much worse than any thing Hitler EVER THOUGHT UP!

They state at the bottom of page # 3 col. # 3" That if for any reason that you consider it desirable to make your CONTRIBUTION ANONYMOUSLY, just pin your \$10.00 bill or \$ 5.00 bill on this coupon and mail it"

" Then they say " It will be an added " STRAW" by which to break the CAMEL's BACK! " " OBEY THAT IMPULSE"

Now I dont know whether this outfit is run by a " Crackpot" or what, but I thought you might like to knowx about this paper being found in a Long Island school.

This is a " MONGREL" nation, and I dont think this kind of stuff is right; because Russia has done pretty well (without the atom bomb) by England's old method of " DIVIDE AND CONQUER".

And as they are purging the jews for all they are worth RIGHT NOW, I am wondering if there is any connection between the Russssian situation, and this outfit; because if you will read this PARTICULAR edition, you will see that it is written after " The Russian Manner" and in all its double talk, it really says that the jews are out to ruin America!

The writer is a follower of Abou Ben Adhem; and I really would think this paper was born of the KuKlux if it was published in the South.

I am sorry that I had to give my word not to keep the copy I had, but it was the only way I could get hold of it.

You, of course could get one of these papers, and decide whether he is a crackpot or not; but if you cant, perhaps I could.

These papers are registered in Washington, I understand; but I dont know how or where this is done.

If you have ever read Hitler's stupid book, it sounds almost like it!

Yours for a little more " Ben Adhemism" in this country,

Enclosed please find copy of a newspaper
"Common Sense", exactly as received in envelope
attached. Please note the "Brooklyn, 6" postmark.

The picture had been clipped from a Saturday
edition of the Long Island Daily Press. The Press
has a courtesy service of publishing, each Saturday
pictures of 1 year old children. They also show
name and address of each child. Evidently the
anonymous sender obtained the address in this
manner. Also please note that this is no reflection
on the Long Island Daily Press.

I wish to state that I am not Jewish, and am
not a Communist. However, the circulation of such trash is
in my opinion, to say the least. The
sender must have a warped mind
in this manner.

No doubt, others are probably receiving this
literature in such manner.

If you should desire further information
or cooperation, please do not hesitate to contact me.

Blasts Civics Stand In Anti-Red Row

March 21st, 1953

East Meadow — Attacking the East Meadow Levitt Homeowners Association for failing to adopt his "anti-Communist" resolution, William J. Santasiere, resigned yesterday as treasurer of the organization.

He blasted the association for finally adopting a resolution that he termed weak and evasive. The organization's failure to insist upon an alternate speaker to present the government's side of the case at a Levittown rally seeking clemency for convicted atom spies Julius and Ethel Rosenberg also was attacked by Santasiere.

The last straw, he said, was the defeat of his motion calling for condemnation of the Rosenberg rally.

Defending the organization's stand, its president, Eugene Sturman, labelled Santasiere's actions "un-American." He said the treasurer and another association member H. Marshall Taylor have made several "veiled" accusations reflecting upon the patriotism and good faith of several members of the organization.

Asserting that the civic group is definitely anti-Communist, Sturman said the association is a "civic organization and not a political one. It's certainly not the duty of the organization to see what political activities each member takes part in."

Santasiere said he reported his opinions regarding the Rosenberg rally to the FBI. He also reported on activities of the Queens-Nassau-Suffolk Coordinating Committee for Peace, he said.

The resolution finally adopted by the association reads as follows: "It is our belief that the use of Levittown Hall is a privilege and not a right, and that the privilege of using Levittown Hall should not be allowed to those seeking to impose a totalitarian regime upon this country and to deny civil liberties to all." It added that only organizations appearing on the attorney general's list of subversive organizations should be barred from using the hall.

An airing of the squabble has been set for Tuesday at 8:30 PM in the Bowling Green School.

I suppose you know all about this; but am sending it to you from the News, and it might not have been in the papers. It will be interesting to hear what the result of the next meeting are!

TO : SAC, NY

DATE: 4/15/53

FROM : JOHN T. MURPHY, SA (105-~~1065~~ *418*)SUBJECT: BENJAMIN FREEDMAN → *Index to Bureau*
"COMMON SENSE"
INFORMATION CONCERNING *300 Central Park W.*

The column of WALTER WINCHELL, which appeared in the Daily Mirror on 3/30/53, reflected that "BEN FREEDMAN is the main money behind an anti-Catholic-Jewish-FBI-Spellman sheet. He lives at the Majestic Apartments, 72nd and Central Park West. A screwball Fascist who features lavender cravats."

The files of the NYO reflect that a letter from THERON L. CANDEL, Assistant Attorney General, dated 9/24/46, was directed to the Bureau concerning the Arab Office in America, registration #322, Foreign Agents Registration Act. The letter reflected that BENJAMIN H. FREEDMAN, of 300 Central Park W., NYC, transmitted a telegram to the president requesting protection for his wife and child from foreign criminal organizations which he identified as the "Zionist Gestapo" and the American Jewish Committee. FREEDMAN's telegram stated he wanted to help expose undercover Jewish actives in the US. (97-1076-5).

In a NY letter to the Bureau dated 11/27/46 FREEDMAN was identified as the head of the League For Peace With Justice in Palestine and as a result of advertisements inserted by him in NY newspapers he aroused a storm because of his alleged anti-Zionist activities.

The Civil Docket of the USDC, SDNY, reflected FREEDMAN instituted a suit against the American Jewish Committee et al based on accusations made by the American Jewish Committee and its representatives that he considered false and malicious. in that FREEDMAN was stated to be closely allied with the Arab Office in America and other propaganda agencies. FREEDMAN in his libel action and during interviews at the NYO on other matters denied he was acting in cooperation with the Arab Office in America. He admitted he spent about \$50,000 of his own funds in publishing advertisements containing anti-Zionist propaganda and that he was carrying on a campaign to present the Arab point of view in the Palestine question. (97-1076-8).

Memo, SAC
NY 105-1066

The report of SA ROBERT F. O'KEEFE dated 11/27/46 concerning the Arab Office in America reflected the records of the County Clerk, NY Supreme Court, NYC, contained a affidavit of incorporation dated 5/6/46, incorporating the League of Peace with Justice in Palestine. Among the directors was BENJAMIN H. FREEDMAN, 300 Central Park W. with business address at 420 Lexington Ave., NYC.

This report also contained an interview with FREEDMAN who disclosed he was 56 years of age, of Hungarian-Jewish parentage, and was a broker and trader in various types of enterprise.

A Dun and Bradstreet report dated 6/5/46 showed that he resided at Apt. 9J, 300 Central Park W. and [redacted]

[redacted] He was formerly secretary and treasurer of the John H. Woodbury Corporation and John H. Woodbury Laboratories, Inc., dealers in soaps and cosmetics. He withdrew from the corporation on 12/31/41 and was also associated as president and treasurer of the Association of American Dermatologists, Inc. On 6/1/45 he stated his activities at that time were based entirely in the investments and amounted to an excess of seven figures. (97-1076-9).

b6
b7C

The "New York Herald Tribune" of 5/5/48 reflected FREEDMAN denied in Mid-Manhattan Court he was an agent of the Arab Office in America but admitted he had spent more than \$1,000 of his own money for pro-Arab advertisements. He was identified in the article as a retired toilet goods manufacturer. (97-1076-27).

The Mid-Manhattan Court dismissed the application for the complaint of HALLAM M. RICHARDSON, attorney of the League of Peace with Justice in Palestine against the non-sectarian anti-Nazi League libel matter. (97-1076-42).

A letter to the Bureau dated 9/12/47 reflected that FREEDMAN claimed that representative SABATH was sending out franked letters calling FREEDMAN a foreign agent. In this letter FREEDMAN was considered to be violently anti-Zionist, unstable, but any information he voluntarily furnished was accepted. (100-15231-160).

Memo, SAC
NY 105-1066

On 11/8/50 FREEDMAN personally advised SA [] that he was the founder and one man member of the League for Peace With Justice in Palestine, claiming he was a rabid anti-Zionist and had been so for the previous five years. He confidentially advised that he had recently furnished CONDE MCGINLEY, editor of "Common Sense", Union, N.J., with enough money to publish 55,000 copies of the publication. He claimed to be well acquainted with SAC SCHEIDT and Cardinal SPELLMAN and to have furnished a great deal of information to the FBI over the previous five years. (105-0-1205).

b6
b7c

On 3/14/51 FREEDMAN directed a letter to SAC SCHEIDT offering his services in whatever way he could assist this office to obtain any information desired. (62-0-34795).

By memo dated 12/5/50, NY file 62-10641, SAC SCHEIDT set forth the telephone call from Mr. ROSEN, of the Bureau, who advised that FULTON LEWIS, JR., had come into possession of an affidavit by BENJAMIN H. FREEDMAN covering a conversation with RALPH DeSOLA, a member of the CP, to the effect that ANNA M. ROSENBERG attended meetings of the John Reed CP group in the area of 6th Ave. around 8th or 9th St. on numerous occasions. DeSOLA identified a picture of Mrs. ROSENBERG who had recently been appointed assistant secretary of Defense as the person who attended these meetings. Further that Mrs. ROSENBERG was one of the founders of "Science and Society", a Communist cultural organization. FREEDMAN resided at 300 Central Park W., NYC.

The file reflected that FREEDMAN was interviewed on 12/5/50 but declined to furnish any information at that time concerning Mrs. ROSENBERG, but on December 12, 1950 he was interviewed at the NYO and stated that DeSOLA told him he had no information concerning Mrs. ROSENBERG in the John Reed group and typed a statement to that effect, a photostatic copy of which was furnished by FREEDMAN to the agents.

Mr. CALLAN of the Bureau advised ASAC WHELAN on 12/11/50 that the Director recalled WALTER WINCHELL had been sued by FREEDMAN at one time; however, the files did not reflect this information and the records of the "New York Times" contained no information of this suit.

Memo, SAC
NY 105-1066

The "Washington Post" of 1/19/51 editorialized that FREEDMAN told his story concerning Mrs. ROSENBERG probably as he told it in "Common Sense" and in a news publication of his own, "No the Truth."

Information received by WFO from USA GEORGE MORRIS FAY revealed that in the testimony of FREEDMAN before the Senate Armed Services Committee he mentioned he was prepared to spend approximately \$7,000 for the printing of 50,000 copies of the 11/1/50 issue of "Common Sense." However, only 25,000 copies were printed. This magazine, according to the testimony, was published by CONDE MCGINLEY, 2001 Pleasant Parkway, Union, N.J.

MCGINLEY was interviewed in this case and advised that FREEDMAN contacted him in the matter in 1948 and loaned him \$7,000 or \$7,500 which has never been repaid. In 1948 two issues of "Common Sense" were published as regular issues but were comprised solely of FREEDMAN's writings. MCGINLEY declared that the first appeared in October, 1948 and dealt with Zionism. In 1949 FREEDMAN did not purchase any issues but in 1950 he loaned MCGINLEY approximately \$11,000 and paid for the printing of 3 full issues of "Common Sense", which contained only FREEDMAN's writings. Mr. MCGINLEY stated the first of such issues was published during the first three months of 1950 and contained a picture of WALTER WINCHELL on the first page. The second issue concerned the "Yiddish Zionists Plot Defeat of US by USSR." The third issue of 50,000 copies in November, 1950 dealt with Mrs. ROSENBERG.

MCGINLEY stated that copies of "Common Sense" were sent to each subscriber and FREEDMAN sent the remaining copies through a mail service. He advised that just before Christmas of 1950 FREEDMAN started to print another issue of "Common Sense" explaining FREEDMAN's activities in regard to the charges which had been brought against Mrs. ROSENBERG. MCGINLEY was not willing to permit this issue to go out as written since it contained material reflecting on FULTON LEWIS, JR., and seized about 20,000 copies of this issue which were all that were printed. At that time MCGINLEY

Memo, SAC
NY 105-1066

declared FREEDMAN then had the material published in January, 1951 as "No the Truth." According to MCGINLEY, FREEDMAN furnished no financial assistance or actively engaged with "Common Sense" after Christmas of 1950 up to the time of the interview, 3/16/51.

forwarded a letter dated 2/26/52 he received from BENJAMIN HARRISON FREEDMAN, International Public Relations, 745 5th Ave., NYC, Plaza 3-1060, which stated that the security of the US depended on assistance of 400,000,000 Moslems occupying strategic points next to the Soviet Union. FREEDMAN asked for 30 minutes of the addresses time in order to discuss the situation. (100-26562-5).

The current Manhattan telephone directory reflects FREEDMAN to be at the above address but no telephone is listed for him in a residence in Manhattan.

NY 105-1066 on "Common Sense" was not available for review at this time.

Gentlemen:

I received the enclosed envelope through the mails today. I do not know if it may be of any interest to you. I do not recognize the handrighiting on the envelope, nor do I know anyone who may reside or have a business residence in the number 17 zone of New York City.

I have scanned through the paper and found a great deal of misleading information. That is the reason I thought you might be interested in it. Another reason is that some time ago, someone close to me received a similar publication which she discarded with no further thought. She was censured by the local police for doing so, and advised that the proper action would have been to forward the paper to the local FBI office.

I am at a total loss in trying to guess who might have sent me the enclosed paper, but if it should by chance be of interest to you, I will be very happy to help in any way I can.

EXCERPT FROM
SAC LT. #54-4

(H) "COMMON SENSE," FORMERLY "THINK WEEKLY" CONDE J. MC GINLEY,
EDITOR INTERNAL SECURITY - X -- Numerous inquiries have been received
by the Newark Office from other offices advising of complaints
received regarding the newspaper "Common Sense," which is being
sent through the mail to the complainants. It was reported in
November, 1953, by a reliable informant of the Newark Office that
Conde J. McGinley planned to circulate one million copies of his
latest issue of "Common Sense."

In view of the above, a brief summary of McGinley's
background as well as that of "Common Sense" is being set forth
below for your information.

Conde J. McGinley has been described by a reliable informant
as being sympathetic with Germany during World War II because
Germany was fighting Communism and because he felt that portion of
Nazi philosophy directed against the Jews was a correct one. The
informant stated that McGinley and his associates are violently
anti-Semitic, that they consider themselves "Nationalist," and that
they are dedicated to the "saving of America from the invisible
government or world government of Zionism."

McGinley started publishing "Think Weekly" in July, 1946.
This newspaper was reported to be dedicated to the fight against
the Communist threat to Christianity. Later in 1946, McGinley
changed the title of his newspaper to "Common Sense." A review of
the articles appearing in "Common Sense" reflects this newspaper to
be anti-Semitic and anti-Communist.

In December, 1946, McGinley organized a group in New Jersey
for the purpose of aiding in the distribution and sale of his news-
paper. This group, which was then known as the Loyal American Group,
became affiliated in September, 1949, with the Nationalist Action
League headed by Henry McFarland of Philadelphia, Pennsylvania. The
informant reported that this merger was short-lived either because
of a misunderstanding between McGinley and McFarland or because
McGinley learned that the Nationalist Action League had been cited
as a Fascist organization by the Attorney General pursuant to
Executive Order 9835. It is noted that the Nationalist Action League
was re-cited by the Attorney General pursuant to Executive Order
10450.

The informant has advised that McGinley claims the
circulation of "Common Sense" is between 200,000 and 300,000 copies

of each issue. In this connection, McGinley uses telephone directories and organizational lists in order to make up his mailing lists. This would explain why many offices are receiving complaints from individuals who have received unsolicited copies of "Common Sense" through the mail.

"Common Sense" is published by McGinley at his residence, 530 Chestnut Street, Union, New Jersey.

Dear Sirs -

Enclosed you will find a sheet of printed matter which came to me in this morning's mail, and included, the envelope which it came in. I called your office this afternoon about 5³⁰ and reported this to you. Your agent asked me to go to your dept at 280 B'way. This printed matter was mailed to my old address in Hempstead - I moved from there in June 19 to my present address.

The contents of this literature look to me like an attempt to incite a pack of trouble makers of people. I hope it will be of some use to you.

THE COMING RED DICTATORSHIP

ASIATIC MARXIST JEWS CONTROL ENTIRE WORLD AS LAST WORLD WAR COMMENCES --- THOUSANDS OF PLOTTERS PLACED IN KEY POSITIONS BY INVISIBLE GOVERNMENT --- FEW EVER ELECTED --- THOUSANDS MORE ON THEIR WAY

I. YOU WILL BE SHOT

II. OR AT BEST CONFINED TO THE CONCENTRATION CAMPS they have built for you at Avon Park, Fla.; Allenwood, Pa.; Florence, Ariz.; Tula Lake, Cal., and El Reno, Okla.

III. UNLESS YOU ACT AT ONCE to stop this plot which has been steadily progressing for many years, especially the last 20 years, and now has its key men in the desired positions of power, ready to pull the strings which will bring about the annihilation of the human race forever.

IV. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

V. Rather than endure the fear that would come their way, many members of Congress are willing to sell their own future generations into slavery. Spineless creatures engrossed with the egoism of the

met at Basle, Switzerland, in 1905 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

XVI. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of an original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

XVII. The Russian revolution was financed by Jews, Jacob Otto Kahn & Paul Warburg, of whom we have heard so much in New York bankers. They financed 48 million dollars and trained Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 to direct the overthrow of the government and set up the present Communist government of U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul Warburg's brother, who was the Kaiser's Chief of Espionage, and permission of the Ger-

crises have been produced by us for the goyim (Gentile) by no other means than the withdrawal of money from circulation."

This was written in 1905 and referred to the panic of 1893 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal. "The Federal Reserve Conspiracy" documents the details of this operation from economic journals and from little-publicized Congressional investigations. The money panics of 1907 (which occurred in a year of general prosperity) and 1929 were caused in the same way, and the details are similarly documented.

XXII. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I (in line with the Protocols plot). Without such loans there would have been no war as neither side could afford war. And the Jews wanted war in order to have Gentile destroy Gentile, and to bring about world chaos and to

the population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish father-in-law of STALIN, is the head man of the Soviet Union behind the scenes.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

XXVIII. The world crisis is made by BERNARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL WARBURG, LEWIS L. STRAUSS (of Kahn, Loeb & Co., and who was recently appointed Chairman of the U. S. Atomic Energy Commission by EISENHOWER), ROTHSCHILD estate MORGENTHAU, EINSTEIN, and the rest of their Jewish conspirators.

XXIX. Why do Jews talk of the crisis we have with Russia? They control the governments of Russia, England, France, Israel, and the United States. The crisis is their

BARUCH for her position. She is a friend of EISENHOWER. BARUCH is the secret President of the United States. EISENHOWER is his mouthpiece. EISENHOWER, on BARUCH'S advice, opposes the BRICKER amendment so our Constitution can be set aside and world government set up, and the White Race destroyed.

XXXVI. Jew EINSTEIN caused the Atomic Energy traitor, KLAUS FUCHS, to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. EINSTEIN was a strong supporter of traitors JULIUS and ETHEL ROSENBERG. EINSTEIN in a letter to Dr. WILLIAM FRAUENGLAS, New York teacher, advised all witnesses to refuse to answer questions before Congressional committees.

XXXVII. Jewish international bankers forces that backed EISENHOWER for President also backed STEVENSON. TRUMAN followed the Jewish instructions. The Jewish international bankers promoting Communism in accordance with the

importance of their positions and thinking they are the all-wise mentors of the nation passing on its vital questions, whereas they are guilty of the grossest hypocrisy of all times in evading the one and all important issue which is the foundation of all other questions. They are presiding over the dis-

man Chancellor, Von Bethman-Hollweg (Jew). Trotsky and Lenin were the leaders. All attempted assassinations and assassinations of Czars were carried out by Jews.

XVIII. BERNARD BARUCH gave \$50,000 to WOODROW WILSON'S campaign,

seize power in the interim due to the emergencies created.

XXIII. WILSON put the U. S. into the war to bale out the Jewish banking interests which had elected him, and he put three Jews in complete charge of the United States — BERNARD BARUCH as head of

own making, brought about by them in order to put us in a military straitjacket to them.

XXX. Why did Truman in 1945, in appointing a five-man civilian board Atomic Energy Commission, appoint four Jews as members? Chairman DAVID LILIENTHAL

Jewish plan to control the world as outlined in their "Protocols of the Learned Elders of Zion" have complete control of both the Democratic and Republican parties.

With their unlimited supplies of money, they can buy anything

solution of the white race.

VI. Many members of Congress desire to lead a life of hypocrisy and escape the real issue, leaving it for others, who, in like manner, leave it for others, and all touch it not. Thus the internal enemy has a free and untrammelled field in which he is moving rapidly forward to the climax.

VII. Needed is a simultaneous effort of a large group of Senators and Congressmen to expose this plot because there is protection in numbers. The public could thus be aroused, and once aroused, would give them its support, and smear of individuals could not take place when a goodly number act simultaneously.

VIII. Communism is a Jewish world mastery plot.

IX. It is the Jewish plot to enslave the Gentiles and to rule over them as kings over slaves.

X. The Jews consider this their destiny as "the chosen people".

backed by WARBURG, W. W. WAYMACK, and Company on the promise that he would obtain passage of and sign PAUL WARBURG'S "Federal Reserve Act of 1913"—which he did—which placed the banking reserves of the United States under the control of the Jewish international bankers. ROTHSCHILD, KUHN, LOEB, and LEHMAN, etc.

XIX. The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographic dispersal of twelve to represent decentralization just being window-dressing as they all are dependent on the Federal Reserve Bank of New York which is under control of the Wall Street Jewish international bankers.

XX. They collect the dividends resulting from the interest payments of the U. S. government on its bonds sold to the Federal Reserve Banks, financed by deposits of commercial banks throughout the country—YOUR MONEY. The U. S. government

War Industries Board, PAUL WARBURG as head of banking interests, and EUGENE MEYER who now owns the leftist paper "Washington Post" and also controls Allied Chemical and Dye, head of the Liberty Loan drive. BARUCH spent 10 billion dollars of allied money, giving his own companies the choicest contracts, on which he also could fix prices, and made himself a multi-millionaire by fleecing the people of the United States.

XXIV. BARUCH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Advisor to Presidents". He pretends to be a patriot by advising America what it should do for protection against war crises which he and his gang has foisted on America in their plot. BARUCH spent \$10,000 to bring the Communist church burners back from Spain where they burned religious leaders alive after covering them with kerosene. (Time

THAL, then shows to be a member of two Communist fronts, yet backed by BARUCH for the position. Other Jew members, W. W. WAYMACK, LEWIS L. STRAUSS and R. F. BACHER.

XXXI. Why does EISENHOWER now appoint LEWIS L. STRAUSS, Jewish KUHN LOEB banker, as Chairman of the U. S. Atomic Energy Commission?

XXXII. Why did Eisenhower appoint Jewish Austrian-born Professor ARTHUR F. BURNS his Economic Adviser? (The Protocols say the Jews must occupy the positions of economic advisers).

XXXIII. Why did EISENHOWER appoint Jewish FRED A. HENNOCK Federal Communications Commissioner, and Jew SAMUEL B. GRONER her assistant? The Protocols say they must control all communications.

XXXIV. ANNA M. ROSENBERG, member of the Communist Party, according to sworn testimony by RALPH DE SOLA,

gold—which is all in our hands—we shall create universal economic crises which will bring industry to a standstill.

Protocol IV. 4. To give the Gentiles no time to think, their minds must be diverted—thus all nations will take no note of their common foe.

XXXVIII. The U. S. is already captured. Its government is under the control of its eleven million Jews headed by BARUCH, FRANKFURTER, LEHMAN, MORGENTHAU, WARBURG gang.

160 million American Gentiles ruled by eleven million Jews. A nation within a nation. And in the world billions of Gentiles are ruled by 16 million world Jews.

XI. To accomplish this they create wars, revolutions, and depressions in order to seize the power during the resulting chaos.

XII. For hundreds of years this has been the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its Vengeance Protocol of 1492.

XIII. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enslaved all nations to them through loans. They hold the world in an economic straitjacket.

XIV. By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not kow-tow to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They might lose advertising.

XV. The International Jewish Council

pays interest on its own credit and the Jewish international bankers collect it. In 1946 on a national debt of 246 billion, the interest was 14 1/2 million dollars a day. Today, 1954, the National debt is 276 billion dollars. Can you see where the money power lies? By their control of gold the Jewish international bankers get richer while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

XXI. The Congress "abdicated" in 1913 when it passed the Federal Reserve Act. The Board of Governors of the Federal Reserve Banks met behind closed doors and has more power than the Congress of the United States. Said Board of Governors is not responsible to the public nor to Congress and has repeatedly shown that it is under the control of the international banker. By raising the rediscount rate (a deliberate act) in 1921 and 1929, they brought on the depression. (The Jewish plan—see the Protocols).

Protocol XX, 20. "Economic

Magazine, Jan. 2, 1939)

XXV. World War II was forced on Germany by the Jewish international bankers who squeezed Germany financially for this purpose. Jew, SAMUEL UNTERMEYER, brought about the boycott of Germany in 1933 for this purpose.

XXVI. World War II was for the purpose of the Jews doing to Germany what they did to Russia in World War I, causing revolution and establishing Communism.

XXVII. World War III is being arranged by the Jews in order to bring the entire world into Communism, which is Jewish super capitalism, with the Jews controlling the government as they do now in the Soviet Union and all other Communist countries—Poland, Hungary, Czechoslovakia, Roumania, China (Estonia, Latvia and Lithuania have been digested by the Communist Jews)—with a few Gentile stooges to front for them. Two and a half million Jews in Russia occupy nearly all government positions and live in luxury with the finest cars and mink coats while the Gen-

hired 10,000 people for the Manhattan (Atomic Energy) project, (The New Yorker, September 15, 1945). This included the spies JULIUS and ETHEL ROSENBERG, GREENGLASS, SOBEL, GOLD, KLAUS FUCHS and others. SIDNEY FIELDS, writing in the New York Mirror November 15, 1950, describes the power ANNA had while in charge of the nation's manpower: "Tomorrow MRS. ANNA M. ROSENBERG assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about 115 different U. S. government agencies concerned with manpower." Mr. FIELDS quotes Mrs. ROSENBERG: "Today we are in for a long pull... I would not dare estimate how long. Nobody would believe me. But it's going to last a good many years." ANNA knows the plan of the Protocols. She supervised the hiring of more than a million while she was in that job. It will take ten years to unscramble the Red network she set up if America does not pass out before. Senator McCarthy is trying.

XXXV. She was backed by BERNARD

SIDNEY JAMES WEINBERG, Wall St investment banker of GOLDMAN, SA & COMPANY. It is clear that Eisenhower cabinet was handpicked WEINBERG's man, General LUC CLAY, whom WEINBERG made Chair of Continental Can. Jews WEINBERG BARUCH rule EISENHOWER, the definite.

ORIGIN

The origin of the name CHRISTIAN EDUCATIONAL ASSOCIATION is not known to Newark Confidential Informant T-1, who has furnished reliable information in the past [REDACTED]

b7D

[REDACTED] The informant believes that the name, which is a new one, has probably been adopted by MC GINLEY to avoid further legal entanglements which have beset him in the past as a result of the publication of "Common Sense", which was owned, edited and published by MC GINLEY.

On September 27, 1954, Newark T-1 furnished information indicating that CONDE J. MC GINLEY, editor of "Common Sense", [REDACTED]

b7D

[REDACTED] The informant also advised that MC GINLEY had published a leaflet which was an appeal for funds to support the publication "Common Sense" and which was identified at the end of the leaflet as having been issued by the CHRISTIAN EDUCATIONAL ASSOCIATION OF NEW JERSEY.

A leaflet in the form of a letter, captioned "Fight Or Enslavement", issued by the CHRISTIAN EDUCATIONAL ASSOCIATION--publishers of "Common Sense"--described MC GINLEY's fight against Jewish organizations who were attempting to drive him out of the publishing business. This leaflet was received in the mail by the Newark Office in an envelope postmarked October 2, 1954, bearing the return address Box 807, Union, New Jersey. This is the Post Office Box maintained by CONDE J. MC GINLEY for "Common Sense." A return envelope enclosed with the letter was addressed to "Common Sense", "The Anti-Communist Newspaper, Union, New Jersey."

Recent copies of "Common Sense" have been mailed in a white envelope bearing the return address CHRISTIAN EDUCATIONAL ASSOCIATION, Union, New Jersey.

NK 105-1910

In the September, 1954 issue of "Common Sense", Number 214, there is set forth a statement of ownership and management of "Common Sense", published semi-monthly at Union, New Jersey. In this statement there appears the following paragraph:

"The name and address of the publisher is Christian Educational Association, 530 Chestnut Street, Union, New Jersey. The owner is: Christian Educational Association, 530 Chestnut Street, Union, New Jersey; stockholders, Conde McGinley, [redacted] and A. Jefimau, 530 Chestnut Street, Union, New Jersey. The known bondholders, mortgagees and other security holders owning or holding 1 percent or more of the total amount of bonds, mortgages or other securities are: none. Signed, Conde J. McGinley."

The newspaper continues to print its identification as "Common Sense, Union, New Jersey; Conde McGinley, editor, address 530 Chestnut Street, Union, New Jersey.

Previous statement of ownership appearing in Issue #193, September 15, 1953 was as follows:

(1) The name and address of the publisher and editor is CONDE MC GINLEY, 530 Chestnut Street, Union, New Jersey;

(2) The owner is CONDE MC GINLEY, 530 Chestnut Street, Union, New Jersey;

(3) The known bondholders, mortgagees and other security holders owning or holding 1 percent or more of the total amount of bonds, mortgages or other securities are: None. Signed, CONDE MC GINLEY, Publisher.

This statement was sworn to before a Notary Public, October 1, 1953, in the State of New Jersey, in the County of Union, as required by law.

OFFICERS

In the statement of ownership appearing in the September 15, 1954 issue, the following individuals are listed as stockholders in the CHRISTIAN EDUCATIONAL ASSOCIATION of 530 Chestnut Street, Union, New Jersey: CONDE MC GINLEY, [redacted] A. JEFIMAU.

NK 105-1910

CONDE J. MC GINLEY

The following background on CONDE J. MC GINLEY has been obtained from employment records and from Newark T-1:

MC GINLEY was born October 13, 1890 in Norman, Texas. He resided there until 1930 when he moved to Dallas, Texas. In the late 1920's he moved to the New Jersey Seashore resort town of Belmar, where he assisted his wife in the establishment and operation of a small chain of curb restaurants known as Celia Browns. The restaurants operated successfully during the early 1930's up to 1941. Following 1941, MC GINLEY and his wife suffered a series of failures.

During World War II, MC GINLEY was employed as an inspector at the Elastic Stop Nut Corporation of America, Union, New Jersey, where he was considered to have been a hard worker, patriotic, and with a son in the United States Marine Corps.

According to Newark T-1, MC GINLEY and his associates were in no way un-American or anti-American but were sympathetic with Germany during the war on the grounds that the Germans were fighting Communism and that portion of Nazi philosophy which dictated the extermination of all Jews was a correct one. The informant reported that MC GINLEY and his associates were, and, has reported, they continue to be, violently anti-Semitic. MC GINLEY and his associates consider themselves Nationalists in that they are dedicated to the "saving of America from the invisible government, world Zionism." MC GINLEY and his associates, according to the informant, consider Communism as but a part of the plot of Zionism for world government and the defeat of Christianity.

CONDE MC GINLEY has been editor and publisher of what he considers to be an anti-Communist newspaper since July, 1946. He launched his crusade against world Zionism with a modest publication known as "Think Weekly." His first paper was dedicated to the fight against the Communist threat to Christianity. Shortly after the appearance of "Think Weekly", the publication's name was changed to "Common Sense". The size

NK 105-1910

of the paper increased from letter size to tabloid size and the masthead proclaimed it as "The Nation's Anti-Communist Newspaper."

According to Newark T-1, MC GINLEY continues to be the moving force in the publication of the paper and has only a few individuals who assist in the editing, publishing, printing, and dissemination of his newspaper. MC GINLEY also continues to be the moving force behind various meetings held under the sponsorship of "Common Sense", designed primarily for the dissemination of his paper.

According to T-1,

A. JEFIMAU

According to Newark T-1, an individual known to him only as ALEX, a Russian Refugee who spent many years in Russian prison because of his opposition to the present regime in the Soviet Union, is now assisting MC GINLEY in the preparation of the publication and serves as an assistant to MC GINLEY as well as houseman for MC GINLEY at the combination office and residence of MC GINLEY at 530 Chestnut Street, Union, New Jersey.

AIMS AND PURPOSES

According to the informant, the CHRISTIAN EDUCATIONAL ASSOCIATION is only a device for the publishing of "Common Sense" and has no aims and purposes other than the publication of the newspaper.

NK 105-1910

ACTIVITIES

According to the informant, the CHRISTIAN EDUCATIONAL ASSOCIATION has issued several leaflets appealing for support of the publication "Common Sense." It has also issued a leaflet captioned, "These Marxist Systems; Stalin Communism or Trotsky Communism?" The leaflet indicates that "Jews set up Communism in Russia during 1917, financed mainly from New York, and supported it for 35 years. No Jewish leader dares try to refute this. During this period the Zionists were protected in Russia."

This leaflet indicates "If Washington thinks and acts as the Jews want it to then Washington has become a Jewish government and is no longer an American Government. What do we mean by Washington? We mean our administration and our elected senators and congressmen. They can and will stop Communism if we elect strong Christian men. It is necessary for every good American to take an interest in seeing that the pro-American Americans are nominated on both tickets in primary elections, for if the organized Marxists succeed in placing their men on both tickets at the election it makes little difference who is elected."

According to the informant, two meetings of MC GINLEY's associates have been held since the name of the publisher was changed to CHRISTIAN EDUCATIONAL ASSOCIATION. No information has been developed indicating that the CHRISTIAN EDUCATIONAL ASSOCIATION was listed as sponsor of these meetings.

Newark T-1 attended a meeting of "Common Sense" group held December 12, 1954, at which no mention of the CHRISTIAN EDUCATIONAL ASSOCIATION was made.

[redacted]
[redacted] attended a meeting held by "Common Sense" at 530 Chestnut Street, Union, on November 14, 1954. She reported that she had attended the meeting as a pro-Senator Joseph McCarthy rally and no mention of the CHRISTIAN EDUCATIONAL ASSOCIATION was reported by her. [redacted] furnished the information on November 15, 1954 after having attended the meeting upon invitation, not knowing the nature of the affair. She reported that the meeting had nothing to do with Senator MC CARTHY and appeared to be devoted to vicious outspoken anti-Semitism.

NK 105-1910

"COMMON SENSE"

The publication "Common Sense", "The Nation's Anti-Communist Newspaper", first appeared in the summer of 1946. Its theme was Christianity against Communism. A review of articles appearing in the early editions of the newspaper reflect that Communists were invariably referred to as "Zionist Marxists."

In the early editions MC GINLEY's fear of the United States being taken over by the world government of the Zionists was veiled. Recently the paper has been openly anti-Jewish.

A sampling of article headlines appearing in the publication "Common Sense" during the past year is being set forth:

Issue No. 193	9/15/53	"The Jewish Peril of the Catholic Church" As Revealed By the Catholic Gazette (London, England). "Jews Beat Drums of Victory Before Battle Commences." An ad for the Protocols of the learned elders of Zion translated from the Russian by VICTOR E. MARSDEN was advertised for sale through "Common Sense" under the heading, "We Dare You to Read the Protocols."
Issue No. 195	10/15/53	"Jews Defy UN and Get U.S. Dollar." "Who Owns the Jews?", by Henry H. Klein (Attorney and former Jew.)
Issue No. 197	11/30/53	Ad for publication "Why Testify-- American Invisible Government Unmasked", available through "Common Sense", author ROBERT E. EDMONDSON.

REGARDING STOCKHOLDER A. JEFIMAU

Newark T-1 has reported that MC GINLEY is assisted by an individual named ALEX, a Russian Refugee who reportedly spent years in prison for his attitude against the government of the Soviet Union.

In a letter to the Bureau, Bufile [redacted] from New York, dated 2/3/53 in the case of [redacted] IS-R, on page 2, there is a discussion furnished by informant, [redacted] to SA [redacted] indicating that one ALEXEY JEFIMOV, also known as EFIMOFF, was a police officer [redacted] at Regensburg D.P. Camp. At the time, JEFIMOV was continually accusing people of being Communists and submitting their names to the American CIC at Regensburg. Many of the names submitted were reliable individuals and included [redacted] trusted police officers. As a result JEFIMOV was arrested by the CIC in 1948 and was placed on probation for two years. In approximately 1950, [redacted]

In September, 1952, [redacted] learned from an acquaintance [redacted] that JEFIMOV prepared a list of names, accusing individuals of being Communists and furnished his list to the Association of Former Political Persons of the Soviet Union, 39 E. 29th St., N.Y.C. [redacted]

[redacted] indicated he had not seen JEFIMOV [redacted] but heard that he was presently residing somewhere in the New York vicinity. He indicated he does not consider JEFIMOV to be a Communist or Communist sympathizer but feels certain that JEFIMOV is 30 percent mentally unbalanced and eccentric.

It is possible that ALEX, reported by the informant to be an assistant of CONDE J. MC GINLEY, is identical with ALEXEY JEFIMOV.

January 9, 1955 meeting held at the Columbia Hall, which is mentioned as being under the auspices of AMERICANS AGAINST COMMUNISM. The meeting was to feature a talk by ELIZABETH DILLING, who, according to the paper, "Common Sense", is the Dean of Anti-Communists. In this notice of the meeting there appears the following announcement:

"Mrs. DILLING will be on the East Coast during January and February. Anyone wishing to arrange for Mrs. DILLING to talk in their locality may communicate with her, Box 659, Chicago 90, Illinois, or care of CHRISTIAN EDUCATIONAL ASSOCIATION."

In the same issue there appears the following item which supports the claimed editorial policy of CONDE MC GINLEY in the publication of "Common Sense."

"Are we a hate group? Yes--we hate Communism sufficient to cause us to oppose those who cleverly promote it regardless of who they are or how they squirm or protest. Watch for the next issue of 'Common Sense' in which we will expose the Marxist plot to use the Un-American Activities Committee to smear Christian Americans who oppose Communism. Newark Confidential Informant T-2, of unknown reliability, but who has furnished reliable information in the past, furnished on January 20, 1955, information regarding the ELIZABETH

DILLING meeting of January 9, 1955. The informant reported no mention had been made during the meeting of the CHRISTIAN EDUCATIONAL ASSOCIATION as an organization. This informant did supply four letters signed by MC GINLEY on the same letterhead as mentioned above which indicates that "Common Sense" is published by CHRISTIAN EDUCATIONAL ASSOCIATION. These letters were appeals for support of CONDE MC GINLEY and the publication "COMMON SENSE."

T-2 reported that the newspaper "Common Sense" is still being sent to subscribers in an envelope bearing the return address CHRISTIAN EDUCATIONAL ASSOCIATION, Union, New Jersey.

A. JAFIMAU, Stockholder in the CHRISTIAN EDUCATIONAL ASSOCIATION
of 530 Chestnut Street, Union, New Jersey

T-1 reported on January 18, 1955 that the individual known to him as ALEX has a last name that sounded like JAFIMA. According to the informant, ALEX is Russian, who spent 25 years in Russia, and is considered by Mr. MC GINLEY as an expert on that country. According to the informant, ALEX has spent time in Munich and in Regensburg, Germany. He speaks very poor German and English. He is approximately 40 years of age, possibly younger. He is very thin with a drawn and haggard face. He is 5'9" tall. He has a dark complexion and appears to be more Asiatic than Russian. He had attended classes in English in New York but had to discontinue this study because he was not welcome in the class. The informant has indicated that this was supposedly due to his antagonistic approach. The informant indicates that ALEX has a wild look and appears to be bordering on the insane.

According to T-1, ALEX is permitted to speak at "Common Sense" meetings and does so at great length. He spoke at the January 9, 1955 meeting. The informant indicates that the audience apparently understands very little of what ALEX says because of his very poor command of the English language. This informant believes ALEX resides with MC GINLEY at the headquarters of "Common Sense", 530 Chestnut Street, Union, New Jersey.

NK 105-1910

Records of Immigration and Naturalization Service, 1004 Broad Street, Newark, New Jersey, checked on January 7, 1955, reflect that no information is presently available in Newark on an individual believed to be identical with ALEX of the CHRISTIAN EDUCATIONAL ASSOCIATION, one ALEXEY YEFIMOVICH JEFIMOV, Immigration and Naturalization Service file A-819739S. According to Immigration and Naturalization Service, this file is presently in the custody of Immigration and Naturalization Service, New York.

According to T-2, ALEX EFIMOV has written an article captioned "Borba" (The Struggle), dated October 1, 1954 and November 1, 1954, which is in the Russian language and which was printed by CONDE MC GINLEY. There is no indication that the two mimeographed sheets upon which the article appears were published by either "Common Sense" or the CHRISTIAN EDUCATIONAL ASSOCIATION.

The CHRISTIAN EDUCATIONAL ASSOCIATION is mentioned as the publishing title of "Common Sense" in a preliminary report on Neo-Fascist and "Hate Groups", published by the House Committee on Un-American Activities under date of December 17, 1954.

his Social Security Number was 158-26-1424. His last known address in December 1953 was 138 Union Avenue, Long Branch, New Jersey. JEFIMOV was described as 5' 5", blue-gray eyes, brown hair, medium complexion. A photograph dated December 22, 1951 which was obtained from this file is enclosed for the Newark Office.

T-1, of known reliability, stated on February 17, 1955 that A. JEFIMOV had come to work for CONDE MC GINLEY about one and one-half years ago. He said JEFIMOV is paid about \$35 a week plus his room and board and writes articles in Russian which are published by the Christian Educational Association. He said these articles are also translated and sent out by MC GINLEY with other publications.

T-1 said that allegedly JEFIMOV was a Russian soldier who was captured by the Germans during the early part of World War II and that the Germans indoctrinated him fully in anti-Semitism. T-1 said that JEFIMOV states that when he was in the German Army he was made a junior officer in the "Jew Exterminating Squad." T-1 said this individual is about 45 years old and is also utilized by MC GINLEY as a lecturer. T-1 said that

T-1 further indicated on March 17, 1955 that subject organization held a meeting on March 13, 1955 at the headquarters of "Common Sense", 530 Chestnut Street, Union, New Jersey. He said that about 40 persons were present and the principal speakers were BENJAMIN FREEDMAN, notorious New York City anti-Semite and CONDE MC GINLEY. He stated that MC GINLEY told the audience about the high cost of the current legal battle which "Common Sense" is engaged in with Rabbi PRINZ. MC GINLEY stated that they would fight on to the bitter end no matter what happens. T-1 said FREEDMAN spoke at great length and requested everyone to buy copies of the subject organization's publications in order to raise money for the current legal expenses.

Dear Sir,

I am employed by Pan American World Airways as an Airline Pilot. I arrived home yesterday evening from a four day trip to Venezuela and found the enclosed envelope and contents awaiting me.

I have never seen nor heard of the enclosed publication before and it is a complete mystery to me as to how or why a copy should be mailed to me. This informant also indicated that ALEX EFIMOV, wa: PETROV, has recently been conducting propaganda activities on the street outside the Russian Cathedral Ascension, 1841 Bathgate Avenue, Bronx, New York. He said that EFIMOV solicits subscriptions to "Borba" and approaches White Russian displaced persons who have recently arrived in the United States. The informant added that, coincidentally, many of these individuals have also been receiving the "Appeal" from the Soviet Organized Committee in East Berlin under the leadership of Soviet General MICHIOFF, which begs these White Russians to return to the Soviet Union and all will be forgiven.

The NYO will continue to report any information received from this source regarding EFIMOV or the subject organization.

The following books are offered in this circular:

"From Major Jordan's Diaries"
The Inside Story of Soviet Lend-Lease
By GEORGE RACEY JORDAN

The staggering, sensational story of our \$9,500,000 of Lend-Lease to Russia as told by GEORGE RACEY JORDAN, Air Force Major, who served as liaison officer with

NK 105-1910

the Russians at Great Falls, Montana.

The reader will be amazed at the fabulous potpourri of non-military supplies shipped to Russia--itemized in detail!

A startling, factual report to the American people--revealed for the first time in its entirety.

Price \$3.50

"The World Hoax"

By ERNEST F. ELMHURST

This book is an authoritative compilation of facts, presented in a readable form, attesting that Communism is world Jewry in action.

The author ably reveals the Jewish strategy behind Communism; he illustrates Marxism's role as a world movement and its particular significance in relation to the United States.

Price \$2.00

"Alien Minorities and Mongrelization"

By MARILYN R. ALLEN

Dealing with currently controversial issues, "Alien Minorities and Mongrelization" is written as a challenge to Christian patriots who value their freedom and the preservation of American principles.

With so much emphasis on the protection of the minorities, Miss ALLEN's concern is for the disappearing rights of the majorities.

The author forcefully presents her subject matter and though some may reject its viewpoint, the thorough documentation of the book, prevents denial of its contents.

Price \$3.00

NK 105-1910

"Strange Fire"
By KENNETH GOFF

Written by an ex-Communist, "Strange Fire" deals with Communist infiltration of religion.

It is an incriminating expose of the insidious forces working from within our Churches -- a vigorous indictment of those who have helped light the "strange fire" of Modernism, Communism and the Social Gospel.

Price \$3.50

"Communist-Socialist Propaganda in American Schools"
By VERNE P. KAUB

This book is a must for all those interested in what the nation's youth -- tomorrow's leaders -- are being taught. Mr. KAUB offers incriminating evidence, found in official NEA publications, proving his contention that so-called progressive education is reality, subversive education.

Price \$2.50

"Protocols of the Learned Elders of Zion"
Translation by VICTOR E. MARSTEN

The Protocols outline a course of action, a step-by-step plan, the culmination of which is the enslavement of all Gentiles.

Most of the objectives set down in the Protocols have been attained! The reader will easily discover how the creation of wars and revolutions, the utilization of communications, money and politics fall into a pre-determined scheme.

No thinking Christian can afford to ignore this "pattern for destruction" in connection with the present world situation.

Price \$1.00

NK 105-1910

"Fragebogen"
(The Questionnaire)
By ERNST VON SALOMON

Using the form of the "Fragebogen" (a questionnaire issued by the Allied Military Government to all Germans suspected of being collaborationists), the author's answers achieve a triple result -- his autobiography, a portrayal of Germany from 1902 to 1946, and a justification of his actions and those of his countrymen.

Some readers may find this astounding book shocking; others may consider it disturbing, but none can deny its brilliant and stimulating presentation.

Price \$6.00

"Facts Are Facts"
By BENJAMIN H. FREEDMAN

An enlightening, thoroughly documented account of the origin of the modern, "self-styled" Jews. Using excerpts from The Talmud and other Jewish sources, Mr. FREEDMAN, one of the world's foremost authorities on the subject, presents his data in a convincing and comprehensive manner.

Price \$1.00

"Unconditional Hatred"
German War Guilt and the Future of Europe
By Captain RUSSELL GRENFELL, R.N.

A dynamic censure of the policy of those who dictated the terms of surrender at the end of World War II.

Highly controversial and widely discussed, "Unconditional Hatred", demonstrates the author's deep understanding and lucid analysis of the issues involved.

Price \$3.75

NK 105-1910

"Black Banners"

By ERIC VON KUEHNELT-LADDEHN

Having as its background the Austro-Bavarian border in the summer of 1944, this unforgettable novel is a realistic and significant approach to the problems of modern civilization.

It is not only an intense story of war and its grim consequences, but also a poignant tale of love and courage.

"Black Banners" convincingly conveys a vital message aimed at the preservation of our Western heritage.

"I Testify"

Amazing Memoir-Exposure of Anti-National War Plotting

By ROBERT EDWARD EDMONDSON

"I Testify" is a formal "Petition to Congress" by a man who underwent years of persecution including two indictments both of which were dismissed due to lack of evidence.

This book uncovers many startling facts. Not the least of these is the proof of almost incredible internal and international acts of planned New Deal treason!

Price \$3.00

"Union's Fifth Column"

By Sen. J.E. TENNEY

Documented report of the former chairman of the California Un-American Activities Committee, exposing the coercive influence and power of a secret gestapo on this continent, whose objectives often seemed to parallel those of the Reds. A most important document.

"Admiral Kimmel's Story"
By HUSSARD E. KIMMEL
(Rear Admiral, USN, Ret.)

A revealing first hand account of what really happened at Pearl Harbor by the man who was left "holding the bag". Lacking sufficient oil storage tanks, planes and adequate facilities, Admiral KIMMEL was also denied the vital information which would have prevented, in part at least, the total destruction which occurred on that fateful day.

Although Washington had intercepted and decoded the Japanese message which indicated the date and time of the planned attack on Pearl Harbor, neither the Army or the Navy at Hawaii were advised.

"Admiral Kimmel's Story" provides the reader with an authentic picture of the events surrounding one of our country's greatest disasters.

It is noted that several of the books appearing on the list of publications available through the CHICAGO EDUCATIONAL ASSOCIATION have been advertised in various issues of "Common Sense" appearing in the past year.

T-2, whose information is believed to be reliable, furnished information on June 8, 1955, indicating that ALEX JEFIMAU, one of the stockholders, also known as ALEX EFIMOV, had written and circulated a Russian language publication captioned "Dorba". This publication

NY 105-1910

is printed by the CHRISTIAN EDUCATIONAL ASSOCIATION and distributed through its facility. According to the Informant, an issue of "Borba", written by JEPIMAU, is devoted to an article captioned "Three Powers", in which the author points out that Communism is completely controlled by the Jews.

T-2 on November 10, 1955, furnished a copy of "Borba", printed in Russia, written by ALEX JEPIMAU, which is entitled "The Cold War", and alleges that the cold war is a secret method by which the Jew-Communists are preparing to take over the world under the veil of Communism. According to the Informant, [REDACTED]

T-3, who is in a position to furnish reliable information on the CHRISTIAN EDUCATIONAL ASSOCIATION, publishers of "Common Sense", has reported on August 31, 1955, and November 29, 1955, that no information has come to his attention which would indicate that the name CHRISTIAN EDUCATIONAL ASSOCIATION is being used as the sponsor for any organizational activity. According to this Informant, there are no members of the CHRISTIAN EDUCATIONAL ASSOCIATION and no officers as such. The name CHRISTIAN EDUCATIONAL ASSOCIATION is, in effect, a "corporate cloak" established by CONDORE CUNLEY for his protection.
